

Request for a Voluntary Health Withdrawal

University of Nevada, Las Vegas

UNLV students may apply for a Voluntary Health Withdrawal (VHW) if they experience medical or psychological conditions that significantly impair their ability to function successfully and safely in their role as a student. Students must submit required documentation from a licensed health/mental health provider to the Voluntary Health Withdrawal Committee (VHWC). At no additional charge, students may receive a medical or psychological evaluation from Student Wellness which includes the Student Health Center (702-895-3370), Student Counseling and Psychological Services (CAPS) (702-895-3627), and Behavioral Health Services (702-895-3627).

An Authorization for Release of Protected Health Information (PHI) will be required to share the PHI with the VHWC which maintains the confidentiality of all PHI received from students. The committee may disclose that you have requested a VHW to other UNLV departments such as the Registrar's Office as necessary. Specific details about your medical or mental health will not be disclosed.

A student must be enrolled in the current semester to be eligible for a VHW and it can only be applied to the current semester **before grades are posted**. A VHW cannot override a posted grade. If a grade has been posted, the student must go through the Faculty Senate petition process. Students can learn more about that on the [Faculty Senate website](https://www.unlv.edu/facultysenate/student-resources/general-petition). Visit: <https://www.unlv.edu/facultysenate/student-resources/general-petition>. Please note that if you are taking a term-length course, grades may be posted before the official VHW deadline. For the exact date of the submission deadline for the current semester, visit: <https://www.unlv.edu/studentwellness/health-center/crisis/voluntary-health-withdrawal>. **The deadlines are firm.**

If A VHW IS APPROVED:

All classes for the semester are removed from the student's transcript. The student cannot select "1 or 2" courses; a VHW applies to all courses for the semester. The student is placed in "leave of absence" (LOA) status and an administrative hold is placed on the student's academic transcript. This ensures compliance with withdrawal agreements and prevents unauthorized reenrollment in future semesters by the student. The student cannot enroll in future semesters until the student has undergone treatment. It is expected that the time a student takes away from the University (typically one semester) will be used for treatment and recovery.

Tuition Refunds: The student may be eligible for a refund of a portion of the semester's tuition in accordance with applicable University policies and procedures. Special fees - course fee, lab fee, facility fee, etc. - cannot be refunded. A refund of tuition is *not* guaranteed for all approved withdrawals.

Financial Aid: It is very important that the student contact Financial Aid and Scholarship prior to requesting a voluntary health withdrawal if any financial aid or scholarships were received for the semester/term. In some cases involving financial aid, a student will not receive a refund since they technically did not utilize ("earn") their financial aid. Furthermore, unearned portions of financial aid received may need to be returned to the Cashier/Student Accounts Office according to U.S. Department of Education regulations, which may result in the student owing money to UNLV. Receiving a VHW does not absolve a student from Financial Aid policies nor the responsibilities involved in accepting financial aid and scholarship funds. Financial Aid Counselors can discuss all financial aid eligibility issues based upon the voluntary health withdrawal.

Military and Veteran's Services: It is very important that the student contact Military and Veteran's Services Center prior to requesting a voluntary health withdrawal if any financial aid or scholarships were received for the semester/term. In some cases, involving financial assistance or scholarship via the Military and Veteran's Services, a student will not receive a refund since they technically did not utilize ("earn") their financial aid. Portions of financial assistance received may need to be returned according to federal law and University policies and procedures, resulting in an amount owed to UNLV.

Student Housing/UNLV Residential Halls: If the student is living in UNLV Residence Hall(s) (which for the purpose of this document, consists of the Dayton Complex, Tonopah Complex, South Complex, and the Upper-Class Complex (UCC)), their UNLV Office of Housing and Residential Life Residence and Dining Hall License Contract will be terminated on a prorated basis and a refund shall be issued based on the per diem rate for the unused portion of the semester. *The student living in the UNLV Residence Halls must contact UNLV Housing and Residential Life at housing@unlv.edu or (702) 895-3489 for details and fill out a Request for Contract Release at*

https://unlv.co1.qualtrics.com/jfe/form/SV_bOswHSTyqtHFLRY. Please note that the UNLV Office of Housing and Residential Life Residence and Dining Hall License Contract requires that unenrolled students vacate the UNLV Residence Halls within 72 hours after a loss of status, so it is very important to promptly contact the UNLV Office of Housing and Residential Life. The amount of the refund shall be determined as of the date the student removes all belongings, surrenders the room key, and officially checks out of the assigned UNLV Residence Hall. If the student lives at the U District, or lives off-campus, the terms of your lease upon approval of a VHW are not the responsibility of UNLV and must be discussed with the property owner.

The VHW policy does not extend to family members who are ill. If a student experiences hardship due to caring for an ailing family member, the student can submit a [petition to the Faculty Senate](#) based on extenuating circumstances.

A student on VHW leave is not eligible to utilize Student Wellness Center services.

FORMS REQUIRED TO REQUEST A VHW

There are four (4) forms required to request a VHW. The forms can be found online on our [VHW website](#). Visit:

<https://www.unlv.edu/studentwellness/health-center/crisis/voluntary-health-withdrawal>

All 4 forms **must** be submitted. A letter or “doctor’s note” does not supersede or replace any of the forms listed above.

Do not submit Voluntary Health Withdrawal paperwork to Enrollment Services, OISS, your academic advisor, etc.

FORMS REQUIRED TO RETURN TO UNLV FROM VHW

There are three (3) forms required to Request to Return from a Voluntary Health Withdrawal. These forms are sent to the student after their initial request for VHW has been approved and processed. If the student needs additional forms, they can be found on the [VHW website](#) or by sending a request to vhw@unlv.edu.

Students must meet the following conditions in order to be eligible to return from a VHW and pursue reenrollment:

- A substantial improvement of the medical and/or psychological condition or symptoms that precipitated the need for a Health Withdrawal.
- The ability to function safely, as evidenced by a substantial reduction of any relevant welfare-related behaviors, including, but not limited to suicidal behaviors, self-injury behaviors, substance abuse, purging or other potentially harmful compensatory behaviors used for weight management, or failure to maintain weight at a minimum of 90% of normal body weight for age and height.
- The student will need to identify and work towards recovery with a licensed off-campus medical/mental health provider who must complete the UNLV Medical/Mental Health Clearance Form attesting to the improvement via treatment and submit the form to the VHWC to review. The VHWC will determine whether the conditions of return have been satisfactorily met.
- The VHWC may involve an evaluation with a Student Wellness clinician, and if relevant, other medical or psychological providers.
- The VHWC must receive the written request to return to UNLV and have all required documentation by **April 1** for a proposed summer semester return, **July 1** for a proposed fall semester return, and **November 1** for a proposed spring semester return. If a student does not meet one of these deadlines, their return from a Health Withdrawal may be delayed.
