Some courses within program may interchange between GEOL and GEOG abbreviations. Either area will satisfy degree requirements.
Some courses within this program are only offered in a specific semester once per year. Be mindful of course sequencing.
Consult with your advisor or advising website for the most updated info about your degree plan.
*C or better is required in all Geology core courses, Geology or Geography UD electives, & Additional Electives in Other Topics.
**Upper-Division courses have 300 level or higher course numbers; courses below 300 will not be accepted.
***Choose one of the following courses: MATH 182; STAT 152; STAT 491. All pre-reqs. for option selected must be met.
****Must choose from either the PHYS 151 or 180 series (mixing is not allowed). PHYS 180 series requires completion of all three courses.
*****Choose one of the following courses: ENG 407A; ENG 405B; ENG 407B; ENG 407C. If course permission is needed, contact: 702-895-3533.
******19 credits In Additional Electives & Other Topics are required. It is recommended that 6 of the 19 credits selected are upper-division to meet university requirements. C or better in these courses are required; S/F courses are ineligible. Courses that satisfy another requirement within the same major (such as general education) cannot double dip into this section.
