2023-2024 Federal Loan Proration Form

A. Student Information

Student Name: _____ **NSHE:** _____

B. Course Information

Federal regulations require that Federal Direct Loans must be prorated when a student's remaining period of enrollment is shorter than an academic year (such as when a student is graduating in fall). Our records indicate that your remaining enrollment is less than a year, so our office must prorate your loan, based on the number of credits you will be taking. Please list below the courses you will be enrolled in during the last semester of your program at UNLV. Complete and sign this form and upload via the Self-Service Help Center at unlv.today/service.

If you will be attending multiple semesters, you do not need to complete this form but must contact the UNLV Office of the Registrar to update your graduation date via the Self-Service Help Center at unlv.today/service.
