Dear Dr. Hemmers' Letter Writer:

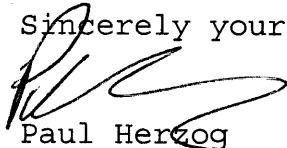

Thank you for agreeing to write a letter in support of Dr. Hemmers' application for an Outstanding Researcher green card. We would like to explain to you the purpose of your letter so that you may have an easier time writing it.

First of all, please note that the letter you write will be used solely for immigration purposes. The Outstanding Researcher green card is granted to an individual who establishes that he or she is recognized internationally as outstanding in his or her academic field. The letter you write should reflect this standard, as it applies to Dr. Hemmers.

We suggest that in the opening paragraph, you should describe who you are and how you know Dr. Hemmers. The next paragraph should discuss how Dr. Hemmers' work is outstanding. Please feel free to fax or email me a draft version of the letter if you would like me to first review it. The final letter, together with a copy of the long version of your Curriculum Vitae, should be mailed to my address and not the Immigration Service. We will submit the letters together with the visa application directly to the Immigration Service.

On behalf of Dr. Hemmers, we would like to thank you for taking the time to write in support of his visa application. If you have any questions about writing the letter, please contact us at the above address.

Sincerely yours,

Paul Herzog
Attorney-at-Law
