Welcome

From the Dean of the William F. Harrah College of Hotel Administration

It is my pleasure to welcome you as you embark on graduate studies in the William F. Harrah College of Hotel Administration. As you begin, I hope you will reflect on your learning goals and make a commitment to your studies. It is here in graduate school that you will really begin to hone your knowledge of the hospitality industry. In graduate school learning is active; this means you need to ask questions, become involved with fellow students, and work with faculty on research.

Research will take you to new levels of understanding. Your educators will challenge you in new ways. Your peers will provide you with feedback, support, and opportunities for shared learning experiences.

In the Harrah College, we have incredible resources. Lateka Grays, is our dedicated librarian, who can help you with your research. We have a career center that can pair you with a mentor or help you find a job. Dr. Barnes runs the career center.

We have the Graduate Studies Office, where you can find the administrative support you need to move through the program in a timely manner.

In addition, we have many student organizations, including the Hotel Graduate Student Association. These clubs often host events for networking and learning. You can find information on different clubs from Gael Hancock in the Graduate Studies Office.

I hope you enjoy your time at UNLV. If I can be of any assistance, please do stop by and say hello.

From the Advisor

Welcome to the dual Master of Business Administration/Master of Science in Hotel Administration degree program! These degrees will give you a competitive advantage in the hospitality industry, allowing you to achieve heights not possible with an undergraduate degree. It will also provide essential skills for a career in hospitality education if that is your goal.

As coordinator of the program, I am your advisor and will help you navigate the program to successful completion. You should meet with me early in your first semester to map out your plan of study for your entire academic career. After that, you should schedule meetings each semester to make sure you stay on track. I can help you decide what electives to take and in what sequence you should complete your required classes. If you were admitted provisionally, I will work with you to ensure that you meet the conditions of your admission.

I look forward to getting to know you, following your progress through the program, and cheering you on when you walk across the stage at graduation to receive your dual MBA and Master of Science in Hotel Administration degrees.

**Program Requirements**

Program requirements regarding admission, coursework and culminating experience are found in the graduate catalog.

Students are required to fulfill the admittance requirements of both degrees to be admitted into this dual degree program.

**Degree Program Benchmarks**

**Professional Paper**

Students in this program are required to complete a professional paper as their culminating experience, with rare exceptions (see thesis information below). A student choosing to do a professional paper is not required to have a full committee, but must have a chairperson who can provide guidance on the chosen topic based on his/her areas of expertise. The professional paper chairperson may be either a full or associate graduate faculty member.

Prior to being allowed to register for HOA 788 Professional Paper, a student must have a chairperson, and have completed the college’s Professional Paper Form that includes the chair’s name and signature and the title and description of the topic of the professional paper.

The professional paper is usually undertaken the final semester of the student’s academic career. The Professional Paper Form should be completed at the end of the preceding semester.

**Thesis Option**

Occasionally a student in the dual MBA/MS HOA program will opt to do a thesis. This is usually accomplished by substituting the thesis class for the three-credit professional paper class; and using the elective in the program for the second three credits required for the completion of a thesis.

Students choosing to do a thesis may want to refer to the document, “Schedule for Success – Thesis” on the Graduate Forms page of the website. The schedule outlines in detail the steps and deadlines for completing a thesis, and graduating in a timely manner.

A graduate advisory committee is mandatory for anyone in the Harrah Hotel College choosing to do a thesis. The committee must be chaired by a faculty member with full graduate standing and should include two or three additional faculty members from the Harrah Hotel College and one faculty member from outside the college who represents the Graduate College. The members of the committee should be chosen based on their area(s) of expertise in relation to the thesis topic chosen by the student.

To confirm the members of a student’s committee, the Graduate College form, “Appointment of Advisory Committee,” must be completed and the required signatures obtained. This form is to be turned in to the Graduate Studies Office (BEH 342) where the student will be given a copy of the document, a copy will be placed in the student’s file, and the original will be delivered to the Graduate College.

Prior to being allowed to register for HOA 789R Thesis, a student must turn in to the Graduate Studies Office (BEH 342) the Graduate College’s Prospectus Form—completed and signed. This form must be accompanied by a three-page abstract of the student’s proposed area of study. The student will be given a copy of the document, a copy will be placed in his/her file, and the original will be delivered to the Graduate College.

Prior to being allowed to register for the second term of HOA 789R Thesis, a student must turn in to the Graduate Studies Office (BEH 342) the Harrah Hotel College’s Proposal Defense Form—
completed and signed (available on the Graduate Forms page of the website). This form indicates that the student has presented the first three chapters of his/her thesis and is ready to begin the research process. At the Graduate Studies Office, the student will be given a copy of the document, and a copy will be placed in his/her file Note: this is a Harrah Hotel College document, not a Graduate College Document.

The Graduate Studies Office will help with the following in relation to the final defense of the thesis (these items must be completed no less than four weeks prior to the last day of instruction in a semester):

- Scheduling a room for the defense
- Inviting graduate faculty, graduate students, and other appropriate guests to the defense and sending out an electronic copy of the thesis
- Preparation of the Thesis Approval Form (printed in color on watermark paper with thesis title and spaces for committee signatures)

The Graduate Studies Office will help with the following in relation to the preparation of the final delivery of the thesis package to the Graduate College (these items must be completed no less than two weeks prior to the last day of instruction):

- Create thesis package for delivery to the Graduate College
  - Envelope with label (Name and NSHE#)
  - Thesis Submission Form
  - Thesis Approval Form
  - Culminating Experience Results Form
  - Thesis (printed on 20 lb. watermarked bond paper – to be completed by student)
- Copies of all documents for student and student file
- Delivery of thesis package to Graduate College

To access all of the basic forms required for completing a thesis or professional paper, please visit the Graduate Forms page on the Harrah Hotel College website.

- Regional CHRIE organizations host smaller conferences throughout the year. Harrah Hotel College faculty members and students participate in the West Federation Conference usually held in February.

- The main focus for students in the college, is the annual Graduate Student Research Conference in Hospitality and Tourism, held the second week in January. This is an excellent opportunity for students to present their research with either stand-up presentations or in
poster sessions. Travel to this conference is provided for master’s level students on a case-by-case basis.

**Organizations/Associations**

The hospitality industry has many different components, and there is a professional organization (or two) for each of those individual sectors. Students are encouraged to become familiar with and join the association(s) that are closely related to their areas of interest. Many of these organizations have special membership fees for students and this is a good opportunity to become involved. A list of many of the industry organizations is on the Harrah Hotel College website.

On campus, there are several student organizations – many related to the national/international industry associations. The list of student organizations is also on the website.

One student organization is particular to graduate students – the Hotel Graduate Student Association (HGSA). All graduate students in the college are members. Activities, opportunities to travel to targeted conferences, and company tours are planned throughout the year by an active board.
