EMERGENCY!

In the event of an emergency, you will be notified by your building's fire alarm system or by the Director of Public Safety or a designee. You will be required to evacuate the building. Please proceed to your building's Assembly Area, as designated by your Building Safety Committee, where you will receive more information. Safety personnel will be available to provide assistance. If you do not know the location of your assembly area or who your building safety representative is, please call Risk Management and Safety at Ext. 54226.

To report an immediate, life-threatening emergency, **call 911 (DO NOT DIAL 8)**

Examples:

- Fire/smoke/burning smell
- Natural gas leak
- Bomb threat
- Natural disaster (high wind, earthquake, flood)
- Civil disorder on campus
- Community disaster on campus (airplane crash)
- Medical emergency
- Unknown odor

To report a non-life-threatening emergency, **call 311 or Ext. 53668**

Examples:

- Power outage
- Off-campus community disaster that may impact campus
- Public health crisis

CHANGES TO THE DIRECTORY

Administrative Listings

The Administrative Listings in this directory include department offices and administrative units of the University of Nevada, Las Vegas, based on information provided by each department. Reprographics/Design Services compiles these listings. It is the responsibility of the department or administrative unit to update this information. Call 50897 for more information.

Changes to Employee and Departmental Listings

This directory contains listings for full-time UNLV employees. Listings are based on information provided by those listed and records in the Human Resources Management System. It is the **responsibility of each employee to notify Human Resources** of changes affecting one's phone number, work location, mail code, name, or personal status by filling out a **Personal Data Sheet** and sending it to Human Resources (1026) or using the **Employee QUery and Update S**ystem (EQUUS) at hr.unlv.edu.

The 2010 Campus Directory is an internal document of the University of Nevada, Las Vegas. It may not be distributed to persons off campus without the approval of the Director of Reprographics/Design Services.

UNLV is an AA/EEO institution.

How To Use Campus Telephones

(Five-digit dialing is here! Instructions appear in bold under "On-Campus Calls")

The University of Nevada, Las Vegas is served by a P.B.X. telephone system, which means that each office on campus has its own seven-digit number. Extension numbers with the 895 prefix beginning with the numeral 6 or 7 may only be used for on-campus calls.

Example 895-6XXX OR 895-7XXX.

On-Campus Calls

- To call the operator, dial 00.
- All emergency calls, dial 911. Do not dial 8+911. This will delay emergency response.
- Nonemergency police issues, **dial 311**. Do not dial 8+311.
- To reach another extension with the 895 prefix, **dial 5+the 4-digit number** assigned to the office being called.
- To reach another extension with the 774 prefix, **dial 4+the 4-digit number** assigned to the office being called.
- For a number not listed in the UNLV Campus Directory dial 00.
- For phone repair service, submit a request at the Telecommunication Service Desk: <http://iservicedesk.unlv.edu:81/Request.aspx?ISD=TS>. If you do not have computer access, phone repairs may be reported to ext. 00 during business hours.
- Voice Mailbox assistance, dial 5+4146.

Local Calls

Dial 8+the 7-digit number.

Direct Distance Dialing (1+)

Unrestricted Lines

- Local directory assistance: 8+1+702+555-1212
- Long distance calls, including Alaska and Canada, dial:
 - 8+1+area code+7-digit number.
- Long distance directory assistance: 8+1+area code+555-1212.
- Toll-free calls: 8+1+8XX+7-digit number.
- International calls: 8+011+country code+city code+number.

Restricted Lines

- After you dial the complete phone number, wait until you hear a "broken tone," then enter your PIN (Personal Identification Number).
- Local directory assistance: 8+1+702+555-1212+PIN.

Transfer Calls

If your phone does not have a transfer key, follow these instructions. To transfer an incoming call on a single-line or key system set:

- Advise the outside party to wait. As an added courtesy, give the party the transfer number in case you are disconnected during the transfer.
- Depress the switchhook momentarily and listen to the special dial tone (indicated by three fast beeps of dial tone followed by a steady dial tone).
- Dial the desired station number.
- Advise the station of the transfer and hang up. The transfer is automatically completed.
- To transfer on other systems, consult your manual.
