

FIRST RESPONDER STATEMENT

UNLV ATHLETIC TRAINING EDUCATION PROGRAM

When an athletic training student (ATS) is not under the direct supervision of an approved clinical instructor (ACI), the ATS is limited to act *only* in the role of a **FIRST RESPONDER**. To be in direct supervision the ACI must be in direct sight and sound of the ATS and possess abilities to intervene in a immediately to protect subjects and the ATS from hazards that may incur without proper supervision.

A first responder is defined as a student that has completed and has become certified in CPR and AED use and has taken the OSHA blood borne pathogens course as offered at UNLV. When an ATS is acting as a first responder, duties are limited to: providing prophylactic taping, prophylactic stretching, and performing first aid and emergency care as outlined by your training certificates in first aid, CPR, and AED use.

STATEMENT OF AGREEMENT

I have read and understand the First Responder Statement. I will comply with this policy during all practices, games, and events I attend as an ATS in the UNLV ATEP. I will comply with this policy also during any road practices, games, and events I may attend.
