

# **SRWC Youth Swim Lesson Policies**

- \* At the beginning of each session we will test your child's skills to make sure they are in the correct level for their age and ability. If they are testing over or under the ability for the class, we will move them to a more appropriate level.
- \* There will be no makeup days for missed classes.
- \* Swim Diapers must be worn by participants that are not potty trained. The SRWC does not provide swim diapers.
- \* Participants over the age of 5 are not permitted to enter the opposite sex locker room. Family changing room is located next to the wet classroom and a unisex bathroom is located across from the leisure pool. If you do need to utilize the locker rooms with your child, please be courteous of the other patrons in the locker room.
- \* Parents are asked to sit in the designated area. Parents please DO NOT leave your child with us in the event that the child needs you or we need to locate you.
