

Contract: 4816

Vendor: Praxair Distribution

| Description | PRICE PER UNIT (Effective 2/07/2011) |
|---|--------------------------------------|
| Oxygen (per cf) | \$0.036 |
| Nitrogen (per cf) | \$0.045 |
| Helium (per cf) | \$0.240 |
| Argon (per cf) | \$0.108 |
| Carbon Dioxide (per pound) | \$0.240 |
| % Discount from current list price for all other Maintenance Gases | 40% |
| % Discount off manufacturers' list prices and brand name on all gas handling & delivery equipment, including regulators, valves, flow meters, manifolds and cryogenic liquid transfer accessories | 30% |
| Scientific and Medical Gases - Where different quality levels of the gas are available and will affect the price, quote prices for gases with 99.999 purity | |
| Oxygen, Medical Grade (per cf) | \$0.072 |
| Oxygen, Grade 5 (per cf) | \$0.320 |
| Nitrogen, UHP Grade 5 (per cf) | \$0.171 |
| Helium, UHP Grade 5 (per cf) | \$0.280 |
| Compressed Air, UHP (per cf) | \$0.300 |
| Argon/Methane Mix, P10 UHP Grade 5 (cf) | \$0.378 |
| % Discount from current list price for all other Scientific and Medical Gases | 40% |
| % Discount off manufacturers' list prices and brand name on all gas handling & delivery equipment, including regulators, valves, flow meters, manifolds and cryogenic liquid transfer accessories | 30% |
| Liquid Gases | |
| Liquid Nitrogen (per cf) | \$0.013 |
| Liquid Helium (per cf) | \$0.209 |
| Liquid Argon (per cf) | \$0.050 |
| % Discount from current list price for all other Liquid Gases | 40% |
| % Discount off manufacturers' list prices and brand name on all gas handling & delivery equipment, including regulators, valves, flow meters, manifolds and cryogenic liquid transfer accessories | 30% |
| Demurrage Charges | |
| Maintenance Gas Cylinder (per cylinder, per month) | \$4.50 |
| Scientific & Medical Gas Cylinder (per cylinder, per month) | \$6.60 |
| Liquid Gas Dewar (per cylinder, per month) | \$45.00 |
| NEW Cylinders and Dewars | |
| New, "300" size steel cylinder (ea) | \$220.00 |
| New, "150" size aluminum cylinder (ea) | \$170.00 |
| New, 60 liter, stainless steel, non magnetic dewar (ea) | \$985.00 |
| New, 160 liter, stainless steel, non magnetic dewar (ea) | \$2,300.00 |
| New, 180 liter, stainless steel, non magnetic dewar (ea) | \$2,400.00 |
| New, 230 liter, stainless steel, non magnetic dewar (ea) | \$3,000.00 |
| USED Cylinders and Dewars | |
| Used, "300" size steel cylinder (ea) | \$200.00 |
| Used, "150" size aluminum cylinder (ea) | \$140.00 |
| Used, 60 liter, stainless steel, non magnetic dewar (ea) | \$750.00 |
| Used, 160 liter, stainless steel, non magnetic dewar (ea) | \$1,900.00 |
| Used, 180 liter, stainless steel, non magnetic dewar (ea) | \$2,100.00 |
| Used, 230 liter, stainless steel, non magnetic dewar (ea) | \$2,750.00 |
