University Requirements for Minors:
Minors are awarded at graduation only at the same time a major is awarded
At least nine credits must be earned at UNLV
12 credit hours must be earned at the 300-400 level
18 credit hours must be earned in the subject area (24 recommended)

Chemistry Department Requirements:
At least 24 credits must be earned to receive the Chemistry Minor, as specified below.

The Chemistry Minor is appropriate for all students with interests in chemistry and especially for those who seek careers that may be enhanced by a background in chemistry. These include, but are not limited to biology, geology, Physics and Engineering.

*Core Chemistry Course Requirements*

<table>
<thead>
<tr>
<th>Course</th>
