

SUMMER 2014 ENROLLMENT REVISION FORM

Student Name (printed): _____

Student's Signature: _____ NSHE ID#: _____

You have changed your summer semester class schedule from what was originally listed on your summer semester financial aid application. **As previously described, you will experience a delay in the revision of your financial aid awards.**

You will also likely owe money back to the University if you reduce your credit hours from what was originally listed on this application and financial aid has already disbursed to your student account. If you owe the University money, you will not be able to enroll in additional classes or receive academic transcripts because of University holds.

Do not complete this Enrollment Revision Form unless you are 100% sure you will not change your summer class schedule again for any reason. If you are still unsure of your schedule, do not complete this form.
