GPSA SPONSORSHIP

SECTION I. GPSA Sponsorship Support

The GPSA shall support projects which directly affect the graduate and professional student’s degree program, as well as making a contribution to the scholar’s field. This support shall come in the form of GPSA sponsorships which are offered in three (3) funding cycles per academic year: fall, spring and summer. Fall will be defined as beginning on the first day of instruction of the fall semester until the ending on the last day of instruction of the fall semester. Spring will be defined as beginning on the day following the last day of instruction of the fall semester and ending on the last day of instruction of the spring semester. Summer will be defined as beginning on the day following the last day of instruction of the spring semester and ending on the day before the first day of instruction of the fall semester. These sponsorships are not for reimbursement, but for funding pending projects. Sponsorship recipients are responsible for monitoring their own accounts and are responsible for any over expenditures. The Sponsorship Committee has established the following priorities in considering applications owing to the competitive nature of the GPSA sponsorships:

a. **First Priority** – Any research, project, or travel that is required for the completion of a degree program.

b. **Second Priority** – Travel expenses necessary for presenting at conferences, performances, presenting/sharing of scholarly work.

c. **Third Priority** – Conference or other professional development with no presentation.
Eligibility criteria include the following:

a. Only currently enrolled and officially admitted UNLV graduate and professional students who are in a recognized graduate degree or professional program may apply for a sponsorship.

b. Each applicant must conduct his/her project with a graduate and/or professional faculty member. One letter of recommendation is required from a member of the student’s committee. It is preferred that this letter be written by the applicant’s advisor. This letter of recommendation should address the quality of the research proposed or the significance of the conference being attended. Additional letters of recommendation and support from graduate and/or professional faculty members can be submitted to speak to the importance/relevance of the student’s project/research.

c. Students who have received GPSA sponsorship money and have since had the opportunity to present at the annual Graduate & Professional Student Research Forum, but have not yet done so are not eligible for additional GSPA sponsorship. After students present at the Graduate & Professional Student Research Forum, they once again become eligible for GPSA funding.

SECTION III. Deadlines
The deadlines for the submission of sponsorships shall be March 15th for summer semester applications, April 15th for fall semester applications, and November 15th for spring semester applications during each calendar year.

SECTION IV. Funding Limitations

a. No applicant may obtain more than two (2) GPSA funding awards per academic year. No more than one emergency sponsorship will be awarded per year. Applicant may submit only one application per funding cycle, i.e. fall, spring and summer. Each application may only pertain to a single project or event.

b. No individual shall receive more than one thousand two hundred and fifty ($1,250.00) dollars per academic year.

c. Any items that have been purchased prior to the starting date of the sponsorship are not reimbursable. Salaries, wages, honorarium, service and/or volunteer compensations, routine supplies, and thesis copies, are not permissible and, therefore, are considered non-covered items.

SECTION V. Award of Sponsorship

Sponsorships from the GPSA shall be reviewed and awarded by the GPSA Sponsorship Committee. The GPSA Vice President shall chair the committee and notify all applicants regarding the committee’s decision. The committee shall have six members, with no more than one appointed from a single college.

a. Sponsorships from the GPSA shall only be activated once ALL ELIGIBILITY REQUIREMENTS are met. See Section II.

b. Sponsorship awardees are required to submit an abstract of their project and present this project at the Graduate & Professional Student Research Forum. The forum presentation shall be either in poster or platform format. The forum is held each spring semester and is hosted by the Graduate
& Professional Student Association and the Graduate College. Acknowledgment shall be given to the GPSA in any and all reports, papers, articles, and books resulting from the applicant’s project. 

c. Disbursement of funds will depend on the type of sponsorship awarded. The GPSA Manager will direct the awardees to the appropriate department for disbursement and/or reimbursement.

d. Failure to submit the proper paperwork may delay or prevent the disbursement of the sponsorship.

SECTION VI. Sponsorship Modification

a. The purpose of this modification is to allow one to apply for a regular cycle funding prior to acceptance of presentation at a conference or confirmation of a project. Upon knowledge of acceptance, the applicant/awardee will submit an amendment to their application indicating acceptance or rejection of presentation. The amendment will then be considered by the Sponsorship committee and the applicant’s award may change reflecting the amendment. Failure to amend one’s application may result in the negation of their funding.

b. If you want to change the amount requested or the event itself changes due to reasons you would outline in your application, this is the mechanism you would use to alter the sponsorship. You will not need to submit an emergency sponsorship if you have already submitted a regular cycle sponsorship application for this project. You will submit a cancel and re-consider application.

c. For example, if you find a more relevant conference, workshop or research opportunity, this is the process you would use to alter your funding amount.

SECTION VII. GPSA Emergency Sponsorship Support

To augment project support, the GPSA Council has created a GPSA Emergency Sponsorship support program to allow for the distribution of funds to those individuals where project funding is necessitated after the normal cycle application deadline has passed for the fall, spring or summer funding cycles, or by the discretion of the sponsorship committee. Complete emergency applications must be received by the GPSA sponsorship committee prior to attendance, presentation or travel. The following priorities shall be considered:

a. First Priority - Any research, project, or travel that is required for the completion of degree program requirements.

b. Second Priority - Travel expenses necessary for presenting at conferences.

Eligibility:

a. Eligibility criteria include all of Article V, Section II requirements.

b. Graduate and professional students must present a letter explaining the specific need for emergency funds (i.e., Why was the applicant unable to apply during the regular sponsorship funding cycle?).

c. The letter of recommendation from a member of the student’s committee must specifically address the need for emergency funding and why the student did not apply in the regular sponsorship cycle. It is preferred that this letter be written by the applicant’s advisor. Additional letters of support from graduate and/or professional faculty members may be provided to emphasize the
importance of the event/project. These requirements are in addition to the standard sponsorship eligibility requirements, the emergency funding application form and the letter of explanation from the student.

d. Complete emergency applications must be received by the GPSA Sponsorship Committee prior to travel and/or conference attendance.

e. Funding limitations include all of Article V, Section IV requirements.

f. Award of Sponsorship Emergency sponsorship applications shall be reviewed on a monthly basis and granted by the GPSA Sponsorship Committee. Failure to comply with any eligibility requirement or expectation of this award shall result in suspension of current funding and the forfeiture of future GPSA sponsorships.

SECTION VIII. GPSA Sponsorship Application Procedure

a. Cover sheet – The required cover sheet shall be used as the first page of the application.

b. Project/event description: Provide a concise summary of your project or event (one page maximum, 12 point Times New Roman font, 1 inch margins, single-spaced). Please include the following sections:

c. If you are applying for funding to attend a conference and include your presentation acceptance letter (if presenting). Applicants applying for a regular cycle sponsorship that have not yet received a notification of acceptance may be provisionally awarded monies with proof of acceptance provided before the allocation of funds.

d. A letter of recommendation from a member of the student’s committee. It is preferred that this letter be written by the applicant’s advisor. An additional letter of support may be provided with the application from additional graduate and/or professional faculty members. This letter should describe the quality and value of the project or necessity of the conference.
e. If applying for emergency funding, this letter must explicitly describe the need for emergency funding. Also, attach an accompanying letter of explanation outlining your reason(s) for not applying during the funding period the conference is scheduled.

f. Budget: An itemized, detailed, and justified budget is required with supporting documentation.
   i. Itemized: Break down items requested by unit price, number of units and total price for each item.

http://accountspayable.unlv.edu/Trvlman/travel.htm

g. Animal use or human subject approval forms shall be submitted when required for the applicant’s project. Check with your department chair or the UNLV Office of Sponsored Programs for further information: http://www.unlv.edu/Research/OPRS/

SECTION IX. Fraudulent Document Submission

Producing documents that are false or otherwise incorrect may result in the loss of the sponsorship money awarded and the student will be referred to the Office of Student Conduct for further consideration.

SECTION X. GPSA Sponsorship Application Appeal Process

The applicant may appeal in writing to the GPSA Vice President. A letter of intent to appeal should be sent within ten (10) university business days of notification of award status with the final appeal being sent no more than thirty (30) university business days explaining the appellant’s argument in response to the committee’s decision to deny or limit funding. If a sponsorship is appealed, it may be reconsidered in its entirety. Denials based upon appellant’s incomplete and/or inaccurate sponsorship application, or
