Here is some basic information about health coverage offered by this employer:

1. As your employer, we offer a health plan to employees who meet the eligibility requirements.

For Plan Year 2015, effective July 1, 2014 through June 30, 2015, eligible employees are:

- ☒ Classified employees are eligible for coverage on the first day of the month following the completion of 60 days of full-time employment.

- ☒ Professional employees hired under a *Letter of Appointment with Benefits* with the Nevada System of Higher Education are eligible for coverage on the first day of the month following the completion of 60 days of full-time employment. An employee under a *Letter of Appointment with Benefits* is someone who is working at least 50% FTE and whose appointment is equal to or greater than 90 days.

For Plan Year 2015, effective July 1, 2014 through June 30, 2015, eligible employees who work a minimum of 80 hours per month:

- ☒ Classified employees are eligible for coverage on the first day of the month following the completion of 60 days of full-time employment.

With respect to dependents:

- ☒ We do offer coverage for dependents of eligible employees that are:
 - Children (biological, adopted, stepchildren and children of domestic partners) to age 26.
 - Related individuals under guardianship or a similar parent/child relationship to age 26.

- Disabled dependents over age 26 with verification of continuous coverage and continuing disability.
- A spouse/domestic partner who does not have *access* to other employer-based coverage--unless that coverage is deemed significantly inferior.

2. Does the PEBP-sponsored medical plans meet the Federal Affordable Minimum Essential coverage (AMEC) (also referred to as the minimum value standard)?

- ☒ Yes, this coverage meets the AMEC (minimum value standard), and the cost of this coverage to you is intended to be affordable, based on employee wages.

Please note: Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, Nevadahealthlink.com will guide you through the process. Here's the employer information you will enter when you visit Nevadahealthlink.com to find out if you are eligible for a tax credit to lower your monthly premiums.
