

Navigating Through Transfer Course Equivalence Tables

Once on the transfer equivalence page you can find a link to UNLV's transfer policy and information for transfer students.

To find the college you would like to see UNLV equivalencies from, you can use the **Search For a Transfer College by Name** option or the **Alphabetical Index** to search for your College by alphabet.

UNIVERSITY OF NEVADA LAS VEGAS TRANSFER INFORMATION

The Transfer Course Equivalence Tables presented here are non-authoritative. They are for informational purposes only and subject to revision. Students, please consult with your Academic Advisor. These tables are a snapshot of the transfer articulation tables stored in MyUNLV as of December 2011. Updates are being made to these tables so all transfer course equivalencies are for information purposes only. Final transfer evaluations that are official are done upon admittance to the University. International institutions are not included in these tables at this time. For questions about international credits, unadmitted students should contact Undergraduate Recruitment at 702-774-UNLV or undergraduate.recruitment@unlv.edu. Admitted students should have their academic advisor contact the Articulation and Degree Audit Unit in the Registrar's Office or email degreereadit@unlv.edu. If you do not find a particular course here, chances are that it has not been previously evaluated and entered into the system. When a student sends a transcript to our admissions staff, all such courses will be evaluated manually and entered into the system at that time. Please also note that although these tables display how transferred courses apply at UNLV, the tables say nothing about the reverse relationship: how UNLV courses apply at other institutions.

Once you have found the correct Institution, you can click on the arrow on the left and it will take you to that institution's **Select Equivalency Data Set Page**. PLEASE NOTE: The catalog years listed do not denote that the rules are only accessible for that catalog year. If a course is still currently active at the transfer institution you can use the most current catalog to review the equivalencies. Click the left arrow again to go to transfer equivalency rules.

If you do not find your course in the equivalency rules then it may be a course **that UNLV has not articulated yet**. If the course is old and inactive at the transfer

institution, you may have to go back to the Select Equivalency Data Set page and [VIEW ALL](#) link (top right) to find an older catalog to see if that equivalency is available.

Once in the institution rules you can view in alpha order all articulation equivalency rules that UNLV has for that particular institution. You can click on [VIEW](#) link to see the course descriptions for the transfer institution and UNLV for that particular course. If there is a note or yellow box next to a course articulation, this denotes that the course

may be used for General Education. You can click on the yellow box  to find out which General Education area the course fulfills.
