SOCK DRIVE

NOW THROUGH APRIL 4TH

Help Those in Need by Donating Socks!

The Las Vegas Rescue Mission has been serving people in the Las Vegas community by providing hope and life change since 1970. The Mission provides guests with daily meals, overnight shelter and recovery, but they need help from UNLV because one of the bare essentials that many of their guests are lacking is socks. Please help the LVRM by donating new or used socks in good condition.
