

FAFSA Checklist

To complete the Free Application for Federal Student Aid (FAFSA) for the 2014-2015 academic school year, you will need:

- ☐ Your Social Security Number
- ☐ Your Alien Registration Number (if you are not a U.S. citizen)
- ☐ Your most recent federal income tax returns, W-2s, and other records of money earned.
(**Note:** You may be able to transfer your federal tax return information into your FAFSA using the IRS Data Retrieval Tool.)
- ☐ Bank statements and records of investments (if applicable)
- ☐ Records of untaxed income (if applicable)
- ☐ A Federal Student Aid PIN to sign electronically. (If you do not already have one, visit www.pin.ed.gov to obtain one.)

Important Note: If you are a dependent student, then you will also need most of the above information for your parent(s).

To organize your information, you can print and complete a *FAFSA on the Web* Worksheet before you begin entering your information online. However, you are not required to do so. *FAFSA on the Web* will guide you through the questions that you must answer, and you can save your application and return to it later if you don't have the information you need to answer any of the questions.

Keep these records! You may need them again. Do not mail your records to Federal Student Aid.
