With approval of the MS – MIS program graduate coordinator, required MIS courses may be substituted with elective courses to avoid duplication of a student’s previous course work and to address the needs of the student’s specific career choice.

Degree Requirements
1. Completion of a minimum of 30 credit hours of MBA core courses and a minimum of 24 credits of MS – MIS courses.
2. A grade point average of at least 3.00 for course work required for the degree.
3. No grade lower than C is acceptable.
4. Students with unsatisfactory progress toward the degree requirements are subject to dismissal. A student with a grade of C or lower in any of the required courses for the degree will be put on probation for one semester. Conditions and deadlines for the removal of probation will be specified. Failure to meet the condition will result in departure from the program. A student with two grades of C or lower will be dropped from the program.

**Graduation Requirements**

1. Students cannot graduate from one portion of the dual degree until the requirements for both are met. Students must apply to graduate from both programs for the same semester.
2. The student must submit all required forms to the Graduate College and then apply for graduation up to two semesters prior to completing his/her degree requirements.
3. Successful completion of the capstone course.
