STEP 1

Students log into Webcampus and will see Keys to Your Rebel Success on the right. Depending on the student’s class standing, he/she will select the appropriate year and enter the module.

STEP 2

Once students have selected their year, they will be able to see the required checklists.
STEP 3

Students will then be able to complete the four modules
Example below is from the freshman year.

1. First Year Seminar Course

2. Academic Advising

UNLV students should meet with their academic advisors at least once a semester

3. Career Development Inventory – Focus 2 (MBTI for Business students only)

“FOCUS 2 is an online interactive, self-guided career and education planning system designed to help you
make decisions about your future career goals and education plans”
(https://www.focuscareer2.com/index.cfm)

4. Fifteen to Finish

UNLV encourages you to take fifteen credits a semester to graduate in four years.
STEP 4

Once students click on the module, they can begin each survey.

Once completed, have students Save and Submit. Students are required to complete all four modules.
