Please read carefully all instructions, general terms and conditions, purchase order terms and conditions, scope of work and/or specifications, pricing response form, Bid response form, sample insurance if applicable, and Minimum Contract Terms, if applicable. Failure to comply with the instructions, terms and conditions, scope of work and/or specifications, of the IFB may result in your Bid being declared non-responsive.

1. BID PREPARATION AND SUBMISSION

a) Bidders are expected to examine the entire IFB document including any attachments. Failure to do so will be at the Bidder’s risk.

b) If it becomes necessary to revise any part of this IFB, a written addendum will be posted on http://go.unlv.edu/purchasing/solicitations and available for all Bidders to download. UNLV is not bound by any oral representations, clarifications, or changes made in the written specifications by UNLV employees, unless such clarification or change is provided to Bidders in written addendum form from the Purchasing Department.

c) Prices shall be submitted as requested in this IFB. When units are identified, the price for each unit Bid shall be shown. All prices shall include packing unless otherwise specified. A total shall be entered in the Amount column for each item bid. In case of error in extension of price, the unit price will prevail.

d) Bids are to be submitted on the pricing response form provided or true copies thereof and must be manually signed by pen. If any erasures or changes appear on the form, each such correction must be initialed by the person signing the Bid. Bidders shall include with their Bid forms the necessary documents or attachments as required in this document. All figures must be written in ink or typewritten. If there are discrepancies between unit prices quoted and extensions, the unit price will prevail.

e) Each Bid, acknowledging all addenda issued must be sealed and submitted in an envelope with the pricing and Bid response form and MUST indicate the name of the Bidder, Bid number, title as listed on the first page of the IFB, and date and time of opening on the outside of the envelope. i) All equipment or supplies shall be new, and of the manufacturer’s current model unless specified herein.

j) Any irregularities or lack of clarity in the IFB should be brought to the attention of the Purchasing Department, as soon as possible so an addendum may be furnished to all Bidders.
