The following questions were raised and are answered below:

1. Are they open to ex-Demo gear? This is going to be the only way we can provide the 3PAR/Apollo/StoreOnce portion of the quotation.

   **Answer:** No. Equipment must be Hewlett Packard brand and should be new.

2. Will they purchase portions of the RFQ from different vendors? Aka… we can provide the rack and blade equipment, but not the storage.

   **Answer:** It is UNLV’s intention to award the Invitation To Bid to one vendor, but per Section B, number 3, c) UNLV reserves the right to award by item, groups of items, or all items, or to reject any and all Bids in whole or in part, and to waive minor irregularities and omissions, whereby the best interests of UNLV would be served.

3. Can we use DL360 or DL380 servers if cheaper (same configuration just different base) for the DL160 servers spec’ed:
   Qty 1 10G Copper PCAP Server  
   Qty 2 1Gigabit Copper PCAP Servers  
   Qty 16 10Gigabit SFP PCAP Servers

   **Answer:** No, it must be DL160 as specified.

4. Are they open to 3rd party Support and Maintenance or just standard HPE??

   **Answer:** No, UNLV is not open to 3rd party Support and maintenance. We require standard HPE support.

5. Do they have the rack infrastructure in place in the data center?

   **Answer:** Yes, the equipment must be rack mountable.
6. I am preparing a bid for this but it is asking for Nevada business license, is the bid only open to Nevada licensed businesses? We are in Arizona.

**Answer:** Please go to the following website to determine the Nevada business license requirements for your firm. [http://nvsos.gov/index.aspx?page=1](http://nvsos.gov/index.aspx?page=1)

7. Can you please tell me what department this is for?

**Answer:** This purchase is for the UNLV Office of Information Technology.

8. For this bid, I know this is a capital purchase for the University, but I would like to give you a 12 month payment option as well as the one time capital purchase. Is that something that would be acceptable to UNLV?

**Answer:** No, we would prefer the one-time payment for the equipment.

**ALL OTHER TERMS, CONDITIONS AND SPECIFICATIONS OF THIS INVITATION TO BID REMAIN THE SAME.**
