These Minimum Contract Terms set forth the minimum contract terms and conditions that will be applicable to a Contract resulting from this RFP. The final Contract will include details specific to the scope of this RFP, and any services which are excluded, due to existing agreements or replacement agreements thereof. It is important to note any objections to these Minimum Contract Terms (including all insurance requirements), since the final Contract will be longer and contain more, rather than less terms and conditions than the following:

This Contract #_____ (“Contract”) is made effective as of the date last signed below by any authorized signatory (the “Effective Date”) by and between the Board of Regents of the Nevada System of Higher Education (“NSHE”), on behalf of the University of Nevada, Las Vegas, (INSERT DEPARTMENT NAME), (“UNLV or UNLV”) and (INSERT NAME OF COMPANY), a (INSERT STATE AND MANNER OF ORGANIZATION, E.G. CORPORATION, LIMITED LIABILITY COMPANY), (INSERT EIN #) (“Contractor”), and is based on the following facts:

RECITALS

UNLV __________________ [INSERT DESCRIPTION OF BUSINESS ACTIVITIES FOR WHICH UNLV REQUIRES SERVICES].

On ____________, 20___, UNLV issued its Request for Proposal No. _____ (the “RFP”) seeking proposals from qualified Proposers to provide ________ services in connection with the _______.

On ________________, 20___, Contractor submitted a proposal (“Proposal”) in response the RFP. The Proposal was later modified by Contractor’s “Best and Final Offer” on ________________, 20____.

On ________________, 20___, UNLV selected Contractor’s Best and Final Offer as the one best suiting its needs.

Based on the foregoing Recitals, and for other valuable consideration, the parties agree as follows:

AGREEMENT

ARTICLE I

TERM

A. INITIAL TERM

The Contract shall commence as of the Effective Date and remain in effect for one (1) year, unless otherwise terminated in accordance with this Contract (“Initial Term” or “Term”).

B. RENEWAL TERM
Upon mutual written agreement this Contract may be renewed for four (4) additional one (1) year terms ("Renewal Term(s)" or "Term(s)").

C. CONTRACT EXTENSION

Without renewing the Term of this Contract, UNLV shall have the right to extend this Contract for up to ninety (90) calendar days from its expiration date of the then applicable Term for any reason. Should UNLV exercise its right to extend this Contract for ninety (90) days beyond the expiration of this Contract, Contractor shall be entitled to receive consideration as provided for in this Contract, pro-rated for the period for which UNLV requests additional services.

ARTICLE II
SCOPE OF CONTRACT

Contractor shall provide the services as further described in Exhibit A, as modified by Contractor’s Best and Final Offer, attached as Exhibit B ADD AS APPLICABLE (the “Services” which shall include any applicable Deliverable(s)).

This Contract, together with all attachments, addenda, and exhibits, the RFP, the Contractor’s Best and Final Offer (including all modifications, but not including any legal terms and conditions), and the Proposal (including all modifications, but not including any legal terms and conditions) constitutes the entire agreement between the parties and supersedes all previous agreements, whether written or oral between the parties with respect to the subject matter hereof, whether express or implied and shall bind the parties unless the same be in writing and signed by the parties. The parties further understand and agree that the other party and its agents have made no representations or promises with respect to this Contract, except as in this Contract expressly set forth. In the event of conflict among any of the terms and conditions set forth in any of the preceding documents, the terms and conditions of such documents shall govern in the following order of precedence: (1) this Contract, (2) the RFP, (3) Contractor’s Best and Final Offer (including all modifications, but not including any legal terms and conditions), and (3) the Proposal (including all modifications, but not including any legal terms and conditions). Contractor agrees to be bound by any warranties and representations made by Contractor in the Proposal and shall notify UNLV immediately if there are any material changes to the warranties and representations set forth by Contractor in its Proposal, as applicable.

UNLV may, at its sole option, develop additional job-specific scopes of work ("Scopes of Work" or “SOW”). In the event that UNLV elects to request additional services from Contractor, additional scope, schedule, and compensation will be negotiated with Contractor. Nothing in this Contract shall be construed as guaranteeing Contractor that any additional Scopes of Work will be actually requested.

ARTICLE III
CONSIDERATION

The amount to be paid to Contractor for work performed under this Contract

1) [shall not exceed X- INCLUDE COST OF EXPENSES]

or

2) [is estimated to be X, but UNLV is not required to purchase a minimum amount or quantity of work or Services hereunder (ADD THIS SENTENCE ONLY IF NO MINIMUM SPEND)]

or

3) [The amount to be paid to Contractor for work performed under this Contract is estimated to be $X. The total amount for Contractor’s Proposal shall not exceed X. Notwithstanding the foregoing, UNLV, at its sole discretion may request additional Y at the same unit pricing.]

Except as expressly provided for herein, all Contractor prices are inclusive of expenses.
In the event that UNLV requests additional services from Contractor during the Term of this Contract or during any allowable Renewal Term(s), payments shall be made as agreed to between Contractor and UNLV but in no case will payments for such additional services be made until such services are performed and accepted by UNLV. Any such payments and any such payment schedules shall be as negotiated between UNLV and Contractor prior to the commencement of any work or Services.

All payments shall be made within thirty (30) days of acceptance of the related invoice. Should the acceptance of such invoices be in doubt, Contractor shall not be due any interest or penalty on any unpaid amounts.

Should Contractor fail to cure such material breach within ten (10) business days following receipt of written notice, UNLV shall have the right at its sole discretion, in addition to all other applicable remedies at law or in equity, to terminate further performance of this Contract. On the effective date of the termination, Contractor shall terminate all work and take all reasonable actions to mitigate expenses, and Contractor shall immediately refund UNLV a pro-rata amount of any advance or prepaid unearned monies. In case of default by Contractor, the UNLV reserves the right to hold Contractor responsible for any actual, consequential or incidental damages.

B. DEFAULT BY UNLV

Should UNLV fail to cure such material breach within ten (10) business days following receipt of written notice, Contractor shall have the right, in addition to all other applicable remedies at law or in equity, to terminate further performance of this Contract.
