UNLV School of MEDICINE

UNLV School of Medicine: Vision for the Future

Barbara Atkinson, M.D.
Planning Dean
June, 2015

Why a UNLV School of Medicine?

- Will educate **60 students** a year at start, then **120 when building done up to 180** per year
- Will recruit **more than120 faculty** to educate students and residents
- Will be developing a partnership academic health center model with UMC, VA, Sunrise and Dignity systems
- Will build research programs in key areas

Vision for UNLV School of Medicine

To develop a world-class center for education, patient care, and research that prepares Nevada's doctors with the most innovative and technologically advanced forms of medical training while serving the healthcare needs of a diverse and urban population through community partnerships.

UNLV | School of MEDICINE

Key Areas for Development

Build clinical, educational, & research programs in:

- Cardiology
- Mental Health & Addiction
- Neuroscience
- Cancer
- Orthopedics

UNLV School of MEDICINE

Scholarship Goal

- Scholarships for each student in the first class for full four year tuition
- $100,000 each
- So far we have 52 of 60 scholarships
- The 60th scholarship will be for anyone in the community to support at any level
- Goal is to get the very best possible class ana keep them in Nevada

UNLV School of MEDICINE

Exciting Curriculum

- Start by becoming certified EMT
- Virtual anatomy (no dissection)and virtual microscopy (no microscopes)
- Coroner's office experience (CSI)
- Medical Spanish for everyone
- Full year of outpatient medicine in a multispecialty, primary care home practice
- Incorporate practices of hospitality in healthcare into student and patient experience

UNLV School of MEDICINE

Special Programs

Core and certificate programs:

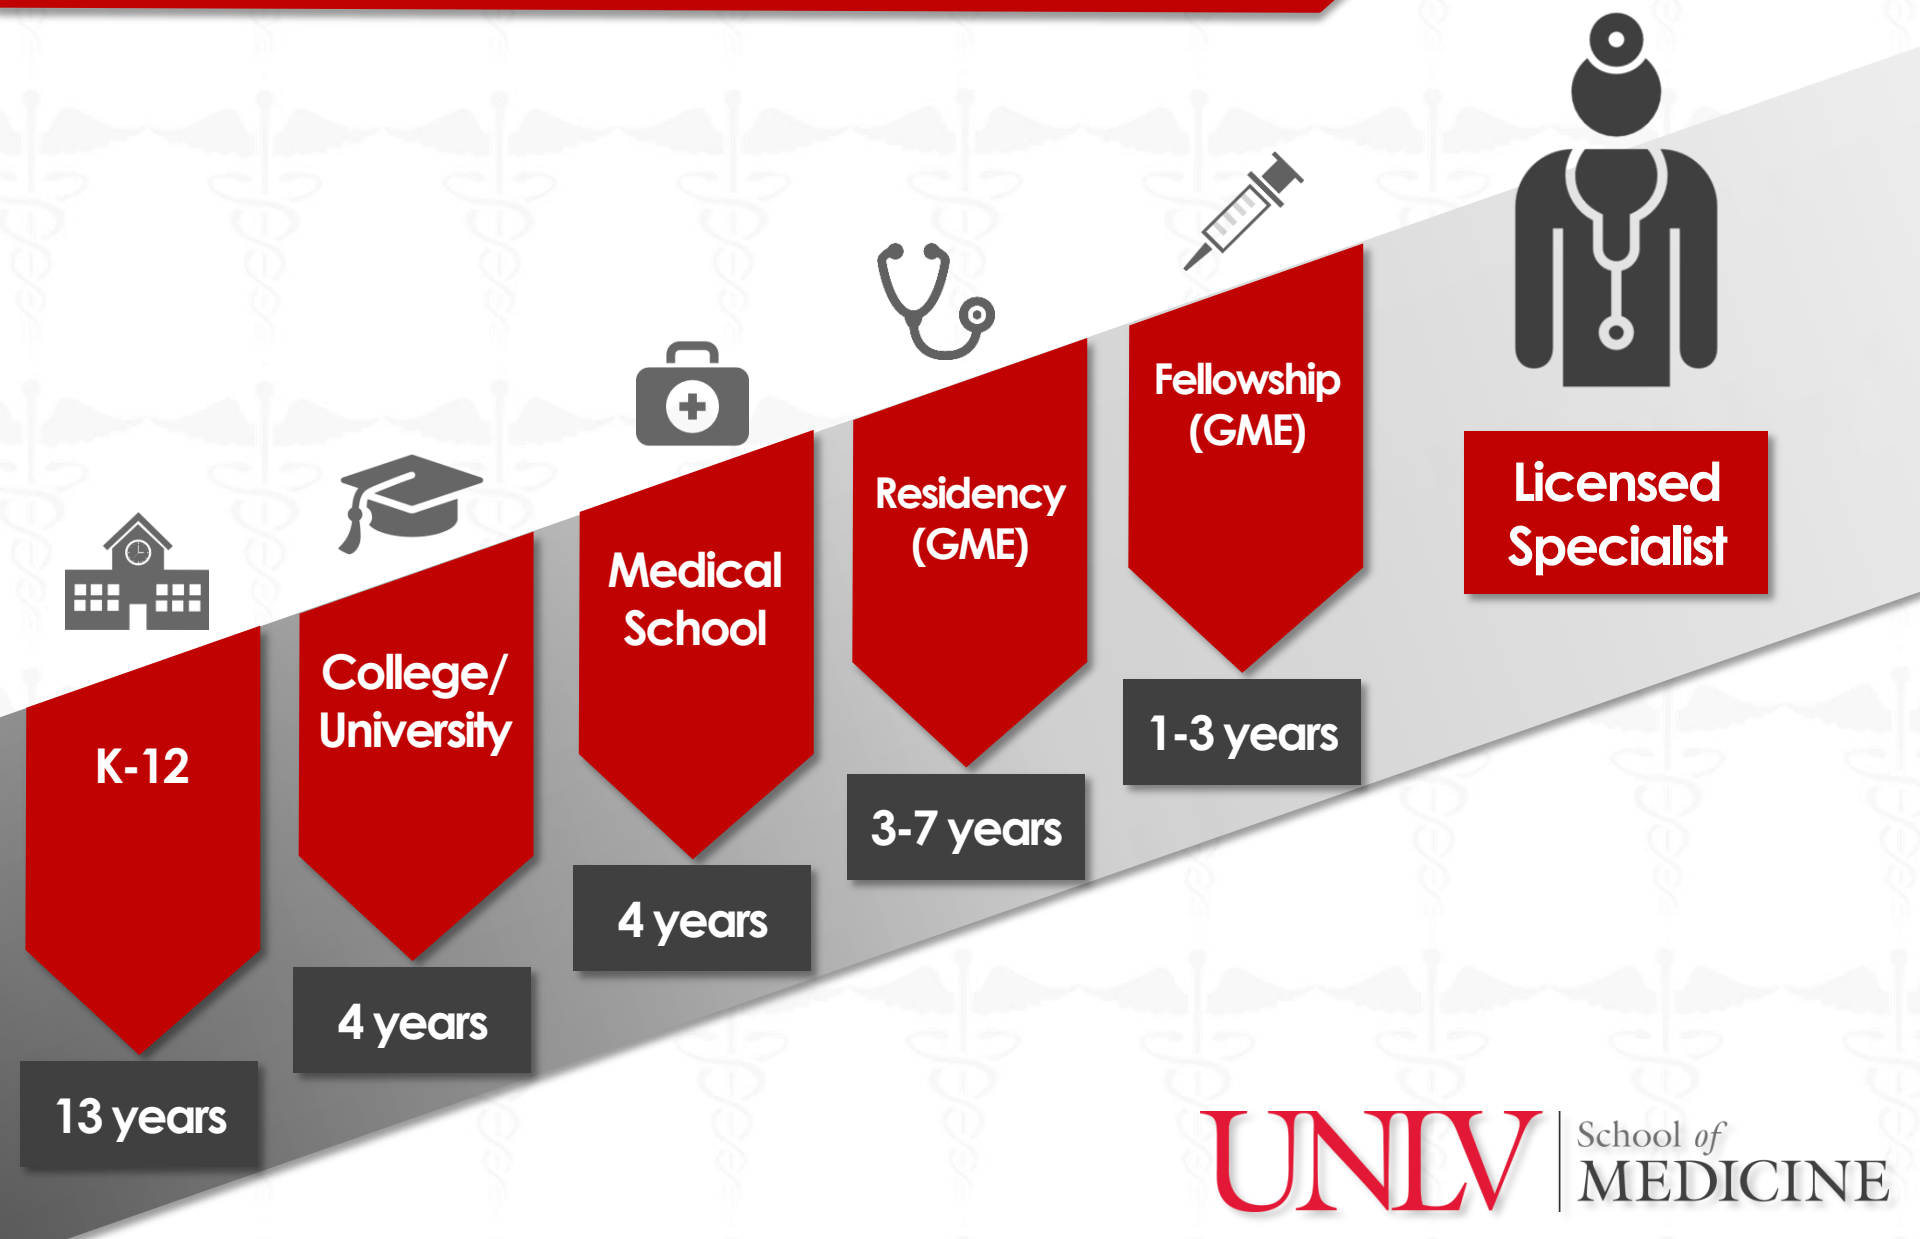
Timeline for Physician Training



UNLV School of MEDICINE

Why both GME & UNLV School of Medicine?

- NV needs to increase the total number of residents in all areas: primary care, specialties, and subspecialties
- Need additional faculty to teach residents/students in **more specialties than currently exist here**
- Need programs to **keep graduates in NV**

UNLV School of MEDICINE

State Budget Requests

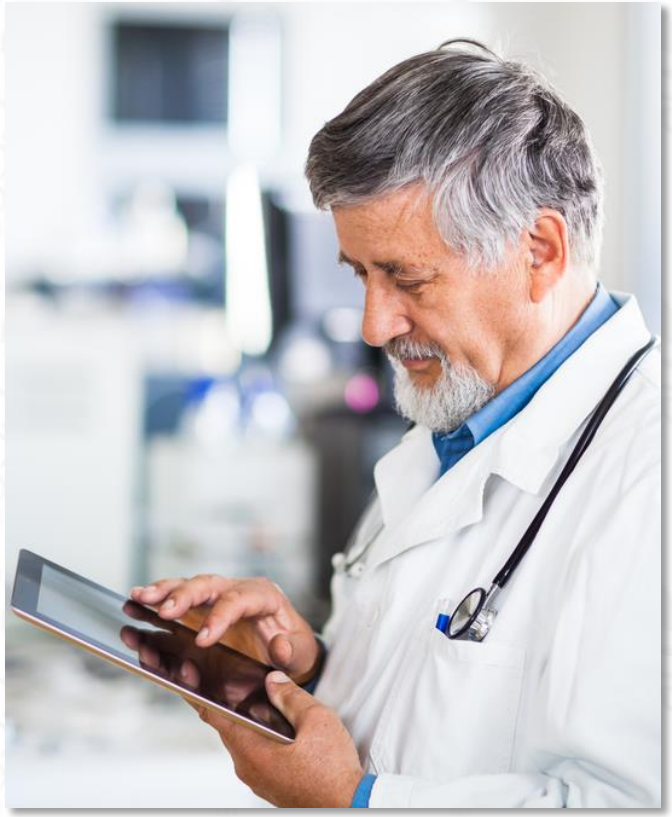
- Regent's request, start first class 2017:
  - $7.1 M first year
  - 19.6 M second year
- Governor's proposal, start first class 2018:
  - $1.3 M first year
  - $7.1 M second year
- Request at full build out in 2025:
  - $45 M per year

We hope to have the full Regent's budget restored

UNLV School of MEDICINE

By 10 Years, UNLV will:

- Be fully accredited
- Graduate 180 students
- Recruit at least120 faculty
- Increase physicians staying & practicing in NV



UNLV | School of MEDICINE

By 10 Years, UNLV will:

- Have generated **5,300** new jobs
- Have at least **$800M** economic impact/year
- Generate direct revenue of **over $250M/year**
- Generate **$4 for every $1** of state investment/year

UNLV | School of MEDICINE

Summary

UNLV School of Medicine will be a catalyst and driver for better health care for southern Nevada also bringing great economic growth in the health care sector
