DEPARTMENT OF ENERGY JOB OPPORTUNITY

Posting ID: E041816  
Company: National Security Technologies  
Company Website: [www.nstec.com](http://www.nstec.com)  
Job Title: Associate in Engineering  
Work Location: Area 6 - CP  
Position Type: Employment  
Salary: N/A  
College Major(s): Any Engineering  
College Level(s): Undergraduate

OVERVIEW

Roles and Responsibilities
Perform technical evaluations (under supervision) for projects in the procurement process to ensure that the vendor is in compliance with NSTec requirements. Review all applicable Regulatory requirements that affect the operations of FF&E to ensure compliance with any new standards and update OP's as needed to comply. Supply engineered drawings or calculations, as needed, for any projects requiring such. Perform emissions tests, as needed, on underground diesel equipment. Perform other engineering related tasks as needed. Accept individual responsibility and accountability for environment, safety, health, and quality processes within personal control, personal safety, and the safety of co-workers. Comply with established regulations and procedures for environment, safety, health, and quality and perform duties in a way that will not cause personal danger, endanger other individuals, or violate environment, safety, health, and quality regulations. Promptly correct or report any hazard or potential hazard to supervision. Understand the principles associated with the National Security Technologies, LLC (NSTec) safety concept. Participate in and embrace NSTec environment, safety, health, and quality initiatives.

Education and Qualifications
Completion of the first year of a Bachelor's degree program in a calculus-based Science, Technology, Engineering & Mathematics (STEM) field at an accredited college or university and be actively enrolled. Strong, independent work ethic. Willing to work in a dynamic service environment. Strong attention to detail. Comfortable and knowledgeable using Microsoft Word, PowerPoint, and Excel. Applicant selected will be subject to a Federal background investigation.
