**OVERVIEW**

Team Construction is a General Contractor based in Las Vegas, Nevada specializing in all aspects of Commercial Construction, Project Delivery Management and high end residential developments. We are currently looking for a Full-Time Assistant Project Superintendent to become part of our team.

**Roles and Responsibilities**
- Assisting the Project Superintendent managing the construction project within budget and timeline parameters  
- Developing and maintaining successful relationships with clients, subcontractors, vendors, suppliers, and other construction employees  
- Directing subcontractors performance and quality  
- Ensuring compliance with local, state, and federal regulations  
- Maintaining a safe work environment

**Education and Qualifications**
0-3 year(s) Construction Experience

**Preferred Skills**
- Ability to communicate with clients, architects, subcontractors, employees, and executives  
- Attention to detail and focus on quality  
- Time and project management skills  
- Intermediate computer skills with proficiency with Microsoft Project and Office, in particular Word, Excel, and Outlook. The preferred candidate will have some working experience with Microsoft Office and PM software as well as able to read blueprints.

**How to Apply**
