Introduction

The Internship Program replaces the Student Career Experience Program (SCEP) and Student Temporary Employment Program (STEP). This Program is designed to provide students enrolled in a wide variety of educational institutions, from high school to graduate level, with opportunities to work in agencies and explore Federal careers while still in school and while getting paid for the work performed. Students who successfully complete the program may be eligible for conversion to a permanent job in the civil service. Additional information about the Internship Program can be found at www.usajobs.gov/studentsandgrads/. Here are some key provisions of the Internship Program:
