INTERNSHIP/JOB OPPORTUNITY

Posting ID: 1030316
Company: The Venetian and Palazzo
Company Website: N/A
Job Title: Information Technology Intern
Work Location: Las Vegas, NV
Position Type: Summer Intern
Salary: N/A
College Major(s): Computer Science
College Level(s): Graduates

OVERVIEW
The primary responsibility of the Information Technology Intern is to assist in project activities of the division and learn the key operating procedures of the departments assigned. All duties are to be performed in accordance with departmental and The Venetian | The Palazzo Casino Resort’s policies, practices, and procedures.

Essential Duties & Responsibilities

- Key Responsibilities
  - Completes special projects as assigned by department management.
  - Learns the operational workings of the department in which assigned – by observing team members, participating in meetings, asking questions and evaluating services.
  - Rotations may include, but are not limited to the following areas: Business Analysis, Quality Assurance, Project Management, Product Management, Business Process, and Infrastructure.
  - Provides input into the research, development, evaluation and implementation of technology and processes to ensure the organization’s competitive position and in anticipation of changing customer needs within the dynamic hospitality and gaming environment.
  - Assists the Department Manager with the delivery and measurement of guest service within assigned department(s) consistent with the company’s core service standards and brand attributes.
  - Assists the Department Manager with assigned operational functions consistent with the strategic plan and vision for the department, the division and organization.
  - Performs additional duties as directed by senior management.

- Key Processes
  - Provides a service or assistance to meet the needs of a guest, client or customer. Proper performance requires knowledge of a specific function or activity and familiarity with policies and procedures of the department.
  - Complies with policies and procedures of the department or section in order to complete service satisfactorily.
  - Proper performance requires some physical and mental dexterity in order to accomplish tasks associated with the completion of the service.
  - Completion of a task or assignment requires use of equipment, tools or systems related to the proper performance of the service. Provide a service for others, and provide expertise based on information keyed, gathered, studied, processed or reviewed.

- Performs other related duties as assigned.

Minimum Qualifications

- 21 years of age (as required by department).
- Proof of authorization/eligibility to work in the United States.
• Ability to communicate effectively in English, both in spoken and written form.
• Maintain a professional, neat and well-groomed appearance adhering to Company appearance standards.
• Maintain consistent adherence to the Venetian and Palazzo Unmatched Guest Service Standards.
• Work varied shifts, including weekends and holidays.
• Must have a future interest in working at The Venetian & The Palazzo Resort-Hotel-Casino following graduation.
• Must be currently enrolled in an accredited College or University.
• Must be an undergraduate who has completed their Junior year.
• Must be able to obtain and pay for any required licensing and housing.

Physical Requirements
• Work in a fast-paced, results-oriented and ever-changing environment.
• Able to maintain composure under pressure and consistently meet deadlines with internal and external customers and contacts.
• Maintain physical stamina and proper mental attitude while dealing effectively with guests, management, team members, and outside contacts.
