IMPORTANT INFORMATION FOR SUMMER LAW FINANCIAL AID APPLICANTS

- You should not complete this application unless you are 100% sure you will not change your summer class schedule for any reason. If you are unsure of your schedule, do not complete this application until your schedule is finalized.

- If you change your summer semester enrollment from what you have originally listed on this form, you must complete the Summer Enrollment Revision Request Form available online. If you change your credit hours, you will experience a delay in the revision of your financial aid awards. You will also likely owe money back to the University if you reduce your credit hours from what was originally listed on this application and financial aid has already disbursed to your student account. If you owe the University money, you will not be able to enroll in additional classes or receive academic transcripts because of University holds.

- The amount you are eligible to borrow for the Federal Unsubsidized student loan program will likely be less because many students have used all their Federal loan eligibility for these two programs during the fall 2013 and spring 2014 semesters. Most summer financial aid opportunities are limited to the Graduate PLUS loan or Alternative loan programs. You will be notified via MyUNLV if you are not eligible for any summer financial aid programs.

- You must be enrolled at least 4 credit hours during the Summer semester to be eligible for Federal student loan programs. If you are eligible for the Unsubsidized student loan program during the summer semester, you must accept your loan online at MyUNLV.

- You must be enrolled in a degree granting program and only the classes that are applicable to your major can count toward the minimum 4 credit hour requirement. This is a Federal financial aid program regulation.

- You should have a 2014-2015 Free Application for Federal Student Aid (FAFSA) form on file prior to the last day of your summer semester enrollment period with the UNLV Financial Aid & Scholarships Office.

- You are responsible for fee payment by the deadlines indicated within your UNLV summer semester billing statement even if your application for summer financial aid has not been processed.
