BOARD OF REGENTS
BRIEFING PAPER

1. Agenda Item Title: Student Health Insurance/Health Center Fees
   Revisions

   Meeting Date: June 5-6, 2014

2. BACKGROUND & POLICY CONTEXT OF ISSUE:

   **Student Health Insurance**: Each June, the Board approves the student health insurance rates for the upcoming academic year that are shown in Chapter 7, Section 10 of the Procedures and Guidelines Manual. System representatives and institution representatives worked with the System’s insurance broker, Wells Fargo Insurance Services, to obtain the best insurance rates possible for the students at each institution.

   As discussed in June of 2013, the Board, Institutions and students were made aware of the impacts the federal Patient Protection and Affordable Care Act (PPACA) would have on student health insurance premiums. Per the Affordable Care Act requirements, the following plan changes will be made for the 2014-15 plan year to remain in compliance with Federal law (Attachment 1):
   - Annual plan maximum increased from $500,000 to no maximum
   - All per-service deductibles, copays, and coinsurance amounts apply to the out of pocket maximum
   - Pre-existing exclusions will be removed from the policy

   Coverage is added for the following Nevada Essential health Benefits:
   - Approved clinical trials
   - Genetic testing
   - Infertility
   - Sterilization
   - Off label cancer drugs

   Additionally, the UNR Graduate Department, at the request of the Graduate Student Senate, is proposing a transition of their student insurance program to a hard-waiver mandatory enrollment requirement (Attachment 2). This change mirrors the change proposed by the Graduate Department at UNLV and adopted by the Board last year for the 2013-14 plan year. The mandatory participation plan (known as “hard waiver mandatory”) requires that students who enroll in 6 credits or more purchase the insurance through the institution or provide evidence of comparable coverage. Initial voluntary quote options reflected a 26-35% increase for the status quo option, as compared to the 4% increase shown for next year under the hard-waiver mandatory plan.

   The UNLV Graduate Department, at the request of the Graduate & Professional Student Association (GPSA), proposes a modification to the request approved last June to remove law students taking 11 credits or less per semester. They are considered part-time students and therefore should not be required to purchase the mandatory student health insurance (Attachment 3).

   The System also makes available, on a voluntary participation basis, health insurance for undergraduates at UNR, UNLV, and NSC and graduate students taking 8 credits or less not on assistantships at UNLV. Staff recommends continuation of these coverages, in existing form, with the exception of the indicated fee changes.

   Some NSHE Allied Health and Nursing programs require students provide evidence of health insurance coverage and have been addressed in the attached Policy and Guidelines Manual revision. If a student cannot provide proof of coverage, the coverages provided by the institutions may be used to satisfy the requirement.

   The rates proposed in the attached reference material represent Institution’s recommendations for the best option for coverage for academic year 2014-15. The carriers recommended are Aetna for UNLV/NSC and United Health Care for UNR. Wells Fargo Insurance Services is the broker. These final recommendations have been reviewed by insurance committees (which include student representation) at each institution.

   **Student Health Fee**: Consistent with prior calculations of CPI + 1%, UNR is requesting an adjustment to the Student Health Center fee to address cost inflation (Attachment 4).

Revised: June 2010
3. SPECIFIC ACTIONS BEING RECOMMENDED OR REQUESTED:

1. The Board is being asked to approve the student health insurance/health center rates for academic year 2014-15 as presented on the attached reference material.

2. The Board is being asked to approve the UNR GPSA request to move graduate students (taking 6 credits/semester or more) to a hard-waiver mandatory program beginning academic year 2014-15.

3. The Board is being asked to approve the UNLV Graduate Department and Graduate & Professional Student Association’s (GPSA) revision request that law students taking 11 credits or less per semester (considered part-time) not be required to purchase the mandatory student health insurance effective academic year 2014-15.

4. The Board is being asked to approve the UNR adjustment to the Student Health Center fee.

4. IMPETUS (WHY NOW?):

Current student health insurance policies expire at the end of this academic year.

5. BULLET POINTS TO SUPPORT REQUEST/RECOMMENDATION:

- The rates for student health insurance plans identified here represent the best option available through an analysis of all options and a competitive quotation process.
- At the request of the UNR Graduate Department and as approved by the UNR GSA, approval of the hard-waiver request will align both universities graduate insurance program.

6. POTENTIAL ARGUMENTS AGAINST THE REQUEST/RECOMMENDATION:

- The requirement for mandatory health insurance coverage, and the associated cost, may impact academic decisions made by some students.

7. ALTERNATIVE(S) TO WHAT IS BEING REQUESTED/RECOMMENDED:

- Discontinue offering plans or direct staff to bring different options.
- Continue to offer only voluntary student health insurance plans at the UNR graduate/professional school student level, as available, or discontinue offering plans.

8. COMPLIANCE WITH BOARD POLICY:

- Consistent With Current Board Policy: Title #_____ Chapter #_____ Section #_____
- Amends Current Board Policy: Title #_____ Chapter #_____ Section #_____
- Amends Current Procedures & Guidelines Manual: Chapter #____ Section #____10G____
- Other:________________________________________________________________________
- Fiscal Impact: Yes__X__ No_____
  Explain: Student health insurance and health center fees that meet the reporting threshold of $25,000 will be reported in the Self Supporting Budget report.

Resolution No. 7 of the 32\textsuperscript{nd} Session, amended by the 33\textsuperscript{rd} Session

Introduced by the Graduate & Professional Student Association (GPSA):

\textbf{WHEREAS}, the University of Nevada, Las Vegas (UNLV) does not currently require health insurance as a condition of enrollment for graduate and professional students, excluding dental and international students;

\textbf{LET IT BE RESOLVED}, the GPSA supports health insurance as a condition of enrollment for graduate and professional students taking a minimum of nine credits per semester (six credits if a graduate assistant) including students who provide proof of insurance independent of the university, provided that graduate and professional students are given information about health insurance and that the GPSA is consulted annually about health insurance;

\textbf{LET IT BE RESOLVED}, that the GPSA recognizes that law students taking eleven credits or less per semester are considered part-time students and therefore should not be required to purchase the mandatory student health insurance;

\textbf{LET IT BE RESOLVED}, that the Graduate & Professional Student Association will send this approved resolution to the President of University of Nevada, Las Vegas and the Nevada System of Higher Education Board of Regents.
