THE COLORADO RIVER COMMISSION OF NEVADA ANNOUNCES:

Internship Opportunity

SPONSORED BY THE AMERICAN PUBLIC POWER ASSOCIATION DEMONSTRATION OF ENERGY & EFFICIENCY DEVELOPMENT PROGRAM (DEED)

WHO CAN APPLY: Existing undergraduate and/or graduate students who have an interest in learning more about Hydropower and energy production and distribution, and who may want to pursue careers in the power industry, and can devote time to work a part-time schedule between August – October 2016.

WHAT: This internship opportunity is made available to the Colorado River Commission of Nevada (CRC) as an active member of the American Public Power Association (APPA). The APPA administers a scholarship program through DEED that promotes improving the operations and services of public power utilities by funding educational opportunities. CRC’s goal is to take advantage of the funding available, and introduce students to careers in public power and assist students with their technical studies that would prepare them as high demand candidates for the power industry.

WHEN: Resumes, Official Transcripts and Statements of Interest must be submitted by close of business (5pm pst) on Monday July 11, 2016. See below for whom to contact. Official transcripts must be sent by the registrar. Copies cannot be accepted by the student. Electronic submissions will be accepted.
**PROCESS:** Interviews for selected candidates will be scheduled for the week of July 18-22, 2016. Only 1 student will be selected for internship. Employment begins approximately August 1, 2016 and will end on or before October 31, 2016.

**SCHOLARSHIP FUNDING:** A total of up to $4000.00 will be paid to the selected candidate, distributed on a weekly basis. An additional $1000.00 will be made available if appropriate, to cover any travel expenses to attend applicable conferences.

**REQUIREMENTS:** Student must be currently enrolled and in good standing with their educational institution; if selected, must register with the Las Vegas Manpower Temporary Employment Service office, complete a state of Nevada employment application; provide own transportation to and from worksite and submit a written report at end of employment period describing their experience. Student will be assigned to a CRC staff member who will mentor during employment period.
