Nontraditional Scholarship Application

We are awarding three deserving nontraditional students with a $200 bookstore scholarship that can be used at UNLV’s bookstore. Please see the message below and ask yourself if you are a nontraditional student. If so, we encourage you to apply!

Am I a nontraditional student?
If you have been out of school for some time, or if you balance school, work, family, home and extracurricular activities, then you know the challenges of being a nontraditional student. Nontraditional students include those who:
- Come to college for the first time after many years of employment
- Return to college to complete a degree after significant time away from school
- Work full-time jobs while going to school
- Take night classes
- Are parents, military veterans or part-time students
