Community Oriented Policing

The safety and security of the UNLV Campus is a joint effort. Community members and the Department of Police Services work together to build a safe and peaceful campus environment where the educational, research and community service goals of the University can be achieved. In order to better understand and act upon the concerns of the members of the community, this complaint form has been created and distributed to encourage an exchange of valuable information. If you believe an employee of the police department has done something wrong, we want to know about it. Conversely, if we are doing something you like and appreciate, we would like to hear about that as well.

Policy

It is the policy of the UNLV Department of Police Services that its employees legally and properly discharge their duties keeping in mind the mission of the University. In order to properly address employee misconduct and avert future occurrences, we ask that any perceived misconduct be reported immediately.

To the same degree, the administration of the police department would like to hear about situations where our employees provide exemplary service, that which is above and beyond the call of duty.

Instructions

Please complete this form as indicated, with as much detailed information as possible. If additional space is required, attach supplemental sheets as necessary.
