WATER QUALITY & TREATMENT INTERNSHIP

LAS VEGAS VALLEY WATER DISTRICT/SOUTHERN NEVADA WATER AUTHORITY

The Las Vegas Valley Water District/Southern Nevada Water Authority is seeking applicants for a paid internship within the Water Quality & Treatment Division. The duration of the internship is one year with possible extension depending on funding. The Internship is available to current college/university students at the Sophomore, Junior or Senior levels of education.

Internship Work Location:
River Mountains Water Treatment Facility
1350 Richard Bunker Avenue, Henderson, NV 89015

Internship Assignment:
This position will involve basic chemistry laboratory work/training. The idea is to expose the intern to a professional laboratory environment. The duties will vary but the following are representative of the position:

- Sample preparation (filtration, extraction, centrifugation, weighing, etc.)
- Glassware preparation
- Basic analyses like pH, UV absorbance, electrical conductivity, 3D fluorescence
- Bottle preparation (labeling, preservation, documentation)

Eligibility Requirements: (The eligibility requirements must continue to be met in order to remain in an Internship position.)

- Current enrollment (Sophomore or higher) within an undergraduate degree program related to Chemistry, Biology, or Engineering.
- Current enrollment with a minimum of 9 credit hours per semester.
- Available to work up to twenty-five hours per week Monday through Thursday.
- US citizenship or legal right to work in the US, including authorization to work off campus.

Salary: $14-$18 per hour, depending on educational level

Hours of Work: Up to 25 hours per week between 7am-5:30pm, 7am-6pm or 6am-4:30pm, M-Th

Application Process:
Submit your resume to Brianna Mullins at brianna.mullins@lvvwd.com. You will receive further instructions regarding the recruitment/selection process when you submit your resume.

The LVVWD/SNWA values diversity and sustains a dynamic work environment.
