Got plans this summer?

How about protecting water resources in Peru, exploring cutting-edge renewable energy facilities in Iceland, or going behind the scenes in Philadelphia's top sustainable development projects?

If you're into adventures and want to add career-related sustainability experience to your resume, check out the GREEN Program’s hands-on summer sustainability program dates below.

Note: These program dates are flexible to fit your summer schedule. That means you can apply today, then choose your preferred program date when you’re ready.

Iceland Program: Renewable Energy & Sustainability

Explore Iceland’s latest innovations in renewable energy, dive into authentic Nordic culture and participate in "bucket list" adventures with the GREEN Iceland Program.
