EMPLOYMENT OPPORTUNITY

#16-01
POSITION AVAILABLE
EPIDEMIOLOGIST

An OPEN COMPETITIVE examination will be held for the position of Epidemiologist in the Community Health Division of the Southern Nevada Health District. This recruitment will establish an eligibility list that will be used to fill the current vacancy and any additional vacancies for four months from the date the list is established. All applicants must meet the Training, Experience, and Working Conditions and/or License guidelines for the position. Program assignments are at the discretion of the District.

TRAINING AND EXPERIENCE GUIDELINES:

Training
- Equivalent to a master’s degree in epidemiology or a master’s degree in Public Health with major course work in epidemiology from an accredited college or university. (Equivalent means that master's degree course work is completed, and/or a year long certificated and master degree equivalent program has been completed.)

Experience
- One year of experience, post degree, working in epidemiologic research or public health disease investigation
- Experience in Chronic Disease Surveillance and/or program evaluation preferred
- Experience with SAS preferred

Working Conditions:
- Office and investigation site environment
- Exposure to individuals with various communicable diseases
- Required to use computers for extended periods of time

SALARY: Schedule 22 - $56,908.80 ($27.36/hr)

OPENING DATE: Wednesday, September 23, 2015

CLOSING DATE: This recruitment will remain open until a sufficient number of qualified applicants have been identified and may close at any time once that number has been reached.

WRITTEN & SKILLS TESTING: To be determined.
