

First Step

All newly admitted international students must attend a First Step orientation session in order to register for classes. The SOONER you attend, the SOONER you can register for your classes!

We know you have questions about your admission, registering for classes, what Las Vegas is like, and what to expect at UNLV. At First Step, we answer your questions! You will meet other new international students and learn everything you need to know about how to get started and get involved with the UNLV community.

Contact the UNLV Office of International Students & Scholars at **702-895-0143** or **newinternational@unlv.edu** **NOW** to reserve your seat at one of the sessions. You must reserve your seat in advance!
