

UNLV | FINANCIAL AID & SCHOLARSHIPS

Hello Gerald,

We are pleased to announce that in the past three weeks, since our most recent notice regarding the disbursement of funds, we have provided approximately \$3.5 million in federal and institutional financial aid. As promised, we will be sending notifications tomorrow to just over 14,500 students who will receive HEERF funds.

Tomorrow, you will receive an email if you are provided HEERF funding. Please [log in to your MyUNLV account](#) to see the amount. Many of you may have an additional process to complete to let UNLV know how you want us to process those funds. Please pay close attention to your email and complete the necessary steps as soon as possible — and don't forget to sign up for direct deposit!

For those who did not receive a HEERF allocation from this distribution and are experiencing housing or food insecurities or have other emergency funding needs, [please complete this form](#). For other financial aid related questions, please submit a case in the [Self-Support Help Center](#).

Finally, we encourage each of you to complete your [2021-2022 FAFSA](#) or [2021-2022 Alternate Need Form](#) as soon as possible. While this round of HEERF funding was based on the 2020-2021 FAFSA and spring 2021 enrollment, any future HEERF funding will require students to have a 2021-2022 FAFSA on file with UNLV and fall 2021 enrollment. For those of you ineligible to complete a FAFSA, current U.S. Department of Education guidelines are still pending regarding students in this situation, and you are unable to receive HEERF funds at this time. However, we strongly encourage you to submit a 2021-2022 Alternate Need Form, if you have not already, so that we can determine your eligibility for other types of funding or in the event U.S. Department of Education guidelines change.

Sincerely,

Barb Roberts

Assistant Vice President for Recruitment & Financial Aid Services
