What’s Right with Our Community?
An Invitation for You!

Who: You! As an important community representative – whether it’s as a service provider, a government official, a public servant, a business, a health insurer, a minority group member, or a citizen – your input is important to us and vital to accomplishing our goals.

What: The Southern Nevada Health District and the University of Nevada, Las Vegas (UNLV) are inviting you to a community forum organized as part of the Mobilizing for Action through Planning and Partnerships strategic planning process, funded by The Lincy Institute at UNLV. We will use a Community Themes and Strengths Assessment tool to gain your unique perspective on characteristics that make up a healthy community and as the basis for future assessments to help identify needs and develop plans to improve our health-related quality of life.

When: Tuesday, April 12, 2011 from 12:00 p.m. to 4 p.m. (lunch included) OR Wednesday, April 13, 2011 from 8 a.m. to 4 p.m. (breakfast included).

Where: UNLV Student Union at 4505 S. Maryland Parkway. We will provide parking passes.

We want to hear from you!

To make sure your voice is heard, please respond by e-mail to Slater@snhdmail.org or telephone, (702) 759-0750, and identify your preferred session (Tuesday afternoon or Wednesday morning, sessions are limited to 50).

Be sure to identify the organization or entity you will be representing.

If you have additional questions, please call Nancy Menzel at the UNLV School of Nursing at (702) 895-5970.
