THE FACTS

Dates: June 10 through June 30, 2013.

Program: The William F. Harrah College of Hotel Administration at UNLV grants 6 upper-division credit hours for the 2 courses offered in this three-week study abroad program (plus web classes before and after the trip). Classes meet at the Vatel Hotel School in Martigny, Switzerland four days per week. Extended travel can occur on long weekends.

Location: Martigny is located on the Rhone elbow in the Lower Valais and is known for its cultural-historical heritage, Mediterranean flair and tasty gastronomy. Surrounded by vineyards and orchards, it has a wide range of outstanding restaurants. With a history that stretches back two thousand years, the Celtic tribes, the Romans and Napoleon's troupes have left behind traces. There is a restored amphitheater, Roman thermal baths, temples and living quarters that can be admired in Martigny today.

People: The Summer Studies in Switzerland Program is open to UNLV Hotel College students.

Cost: \$3300 for rooms and breakfast at the School, lunch on class days, selected dinners and motor coach transportation. Airfare, Eurail pass, tuition, lab fees and the UNLV mandatory health insurance costs are not included. The estimated in state tuition cost of \$1200 plus incidental fees, a \$85 lab fee for the Culture & Cuisine class and \$80 health insurance is payable to the UNLV Board of Regents.
