The UNLV PGA Professional Golf Management program is pleased to announce that the Fall 2010 Family and Friends Tournament will take place on August 21 at Cascata. The event will begin with a full field shotgun start at 8:00 AM. Following the tournament, guests will enjoy lunch in the breathtaking clubhouse while golf awards are presented.

Later in the evening, guests will be welcomed to the dinner portion of the event, which will be held at the Stan Fulton building on campus at UNLV. The evening will feature keynote speaker Cheri Tschetschot, PGA, Director of Accreditation & University Programming, and the culinary work of Executive Chef John Gremo.

The Family and Friends event is a wonderful tradition for our program. It allows incoming students and their families the opportunity to become familiar with current students, faculty members, alumni, and friends of the program.

For more information about this event, please visit our website, or contact us using the information on the left side of this page. We look forward to seeing you there.

President's Corner

As we look forward to another exciting year, it is important to acknowledge the efforts of last year's executive board. The 2009-2010 season featured one of the best tournament schedules our program has ever had. We welcomed incredible guest speakers to our Student Association meetings including Butch Harmon, and Vice President of the PGA of America, Allen Wronowski. Students enjoyed many exciting social events including 3-on-3 basketball, flag football, and our traditional softball game.

I would also like to express my confidence in my fellow incoming executive board members. I have already heard many great ideas for the 2010-2011 school year. We are committed to making this the best year yet for the UNLV PGA Professional Golf Management program.

Sincerely,

The Director's Cup is a team competition in which Freshmen and Sophomores compete against Juniors and Seniors. According to points standings, the top eight underclassmen are automatically chosen to compete against the top eight upperclassmen. Each team captain picks two additional players to create a ten person team.

After a hard fought two day competition, the Upperclassmen prevailed and retained the Director's Cup for another year. The Ryder Cup style competition created many exciting stories and long lasting memories. Congratulations to all students who participated in the 2010 Director's Cup.
