Academic Advising Description:
Advisors are a resource to serve as guides for navigating academic choices, policies, and requirements. Advisors are excited to meet with students and help them plan and achieve their goals. Academic advisors are well informed about the institution’s resources available to students in order to provide appropriate referrals. Academic advisors assist students in the development of meaningful educational plans that are compatible with their personal and/or career goals.

Rebel Academic Advising Pledge:
As a UNLV student, I have the potential to achieve success and avoid failure. I can succeed if I have the will to succeed. I will accomplish my goals and fulfill my dreams. The only limits I face are the limits of my own efforts. To realize my full potential and accomplish all that I am capable of, I will: Use my time effectively; Ask for help when I need it; Accept responsibility for my own actions. I will succeed at UNLV because my future depends on it. Earning a university degree will enhance the quality of my life and enable me to improve the lives of others.
