Suggested Campus Impact Message

Residence Halls

Residence Halls will remain open during Debate Week (Oct. 17-19), but will be locked at all times beginning Oct. 17 at 7 p.m. Residents can still access their building using their RebelCard. For access to other residence hall facilities, please call the phone number posted on the door to gain entry.

Student residents who park in the Thomas and Mack Lots (including the Tropicana Parking Garage), or in Lot N (behind Lied Library) must relocate their vehicles prior to Friday, Oct. 14 to other locations on campus to avoid being towed.

The Office of Housing and Residential Life recommends that all residents move their vehicles to one of the following open campus lots:

- The east side of Resident Lot A – Tropicana & Brussels
- Lot F – South of the Architecture Building
- Lot H – North of the Architecture Building
- University Gateway Garage – across Maryland just south of Café Rio
- Or any other student space available to you on campus

On Oct. 20, normal residence hall hours will resume and all UNLV parking lots will reopen.
Subject: Presidential Debate Parking

Attention All Residents:

From Friday Oct. 14 through Wednesday Oct. 19, the following lots will be CLOSED and no vehicles can remain in this area:

- All Thomas & Mack surface parking (White, Naples, Black, and Red lots)
- Tropicana Parking Garage
- Lot N (north of Thomas & Mack and behind Lied Library)

Any vehicles left in the restricted locations risk having their vehicle relocated or removed from campus. The best time to relocate your vehicle would be early in the morning or later in the evening to avoid peak times of parking.

We recommend that all residents move their vehicles to one of the following open campus lots:

- The east side of Resident Lot A – Tropicana & Brussels
- Lot F – South of the Architecture Building
- Lot H – North of the Architecture Building
- University Gateway Garage – across Maryland just south of Café Rio
- Or any other student space available to you on campus

All UNLV parking lots will be open for use on Thursday, Oct. 20.

Thank you,
Office of Housing and Residential Life
