**Tuition Calculation**

NAVIGATION: STUDENT FINANCIALS > TUITION AND FEES > TUITION CALCULATION

---

A. Click on the **View All** link to expand page or click on the arrow to the Term that needs to be Calc’d. If you Calc the tuition of the current term it does not calc the tuition for previous terms. **This is very important**

B. Click the **Calculate Tuition and Fees** button

Note: The Tuition Calc Date Time is stamped on the page after the calculation has been completed. The most current term is always displayed first.

- Academic link: See student Academic information.
- Display Tuition and Fees link: Displays all the students tuition charges for that term.
