Be Prepared: What to do prior to admission

(For students transferring from College of Southern Nevada, Great Basin College, Truckee Meadows Community College and Western Nevada College)

Locate articulation worksheet for your UNLV major: [unlv.edu/admissions/requirements/international](https://unlv.edu/admissions/requirements/international)

The articulation worksheet provides prospective Nevada System of High Education (NSHE) community college transfer students with an outline of courses specific to a UNLV major. This allows the student to maximize the total number of credits that will be applicable to the UNLV major while earning the credit at an NSHE community college.

Fill out NSHE Transfer Agreement for desired major (optional, but highly recommended to ensure you can enter into the desired course catalog year listed on the transfer agreement):

A transfer agreement is an agreement between UNLV and the Nevada System of Higher Education (NSHE) community colleges that guarantees transferability of all general education courses. The Transfer Agreement and the Terms of Agreement can be found at [unlv.edu/admissions/transfer/agreements](https://unlv.edu/admissions/transfer/agreements)

- Turn in transfer agreement to the Office of Undergraduate Admissions in one of the following ways:
  - Email: transfer.agreement@unlv.edu
  - Fax: 702-774-8008 (Attention to: Transfer Agreement)
  - In person: Student Services Complex, Building B
  - Mail: 4505 South Maryland Parkway
    Box 451021
    Las Vegas, NV 89154-1021

A degree worksheet provides the course requirements needed to earn an undergraduate degree at UNLV.

View Undergraduate Catalog for important information regarding UNLV policies, degree programs and requirements, course descriptions, and much more: [catalog.unlv.edu](https://catalog.unlv.edu)

Get an unofficial review of your college credits by an Academic Advisor at UNLV to understand how the classes you have taken at an NSHE community college will fit into a UNLV Degree Program: Email your unofficial college transcript(s) to advising@unlv.edu. Within the email, please include: Name, NSHE ID number, UNLV major and expected term of entry. Also, please let us know if you have completed/submitted a NSHE Transfer Agreement. Once you submit your email, you will receive a response email with details on the review process (varies by major).

Admission Requirements for NSHE Transfer Students:

- Students with at least 24 cumulative transferable semester credits and an overall grade point average (GPA) of 2.50 can transfer to UNLV. Transfer course work must have been completed at regionally accredited colleges or universities. Students must also be in good standing and eligible to return to the university or college last attended (i.e., an applicant cannot be on academic or behavioral suspension).

- Please note that all students who have earned an Associate of Arts, Associate of Business, or Associate of Science from a Nevada System of Higher Education (NSHE) community college are admissible to UNLV and are given credit for meeting all of the general education core curriculum requirements. Students admitted under this category are still required to submit a UNLV transfer application and official transcripts from all post-secondary institutions that the student attended. Please see “Admission Steps for Transfer Students” on page two of the checklist for details.

- Students who have earned 23 or fewer cumulative transferable college credits must fulfill the freshman admission requirements and have a 2.5 overall grade point average in their college credits. Please view freshman admission requirements on the following website: [unlv.edu/admissions/requirements](https://unlv.edu/admissions/requirements)
