Rev. 4/15

Notes: The minimum number of semester credits required for this degree for a student graduating under the regulations of the 2015 Undergraduate Catalog is 120. UNLV requires one-half of the 120 credits be earned at a 4-year institution. A candidate for the baccalaureate degree must complete the last 30 UNLV semester credits in uninterrupted resident credit as a declared major in the degree-granting college. A student must declare a major prior to enrolling in the last 30 UNLV resident credits. This articulation worksheet is not a contract.
