Welcome

From the Dean of the William F. Harrah College Hospitality

It is my pleasure to welcome you as you embark on graduate studies in the William F. Harrah College of Hospitality. As you begin, I hope you will reflect on your learning goals and make a commitment to your studies. It is here in graduate school that you will really begin to hone your knowledge of the hospitality industry. In graduate school learning is active; this means you need to ask questions, become involved with fellow students, and work with faculty on research.

Research will take you to new levels of understanding. Your educators will challenge you in new ways. Your peers will provide you with feedback, support, and opportunities for shared learning experiences.

In the Harrah College, we have incredible resources. Lateka Grays, is our dedicated librarian, who can help you with your research. We have a career center that can pair you with a mentor or help you find a job. Dr. Barnes runs the career center.

We have the Graduate Studies Office, where you can find the administrative support you need to move through the program in a timely manner.

In addition, we have many student organizations, including the Hospitality Graduate Student Association. These clubs often host events for networking and learning. You can find information on different clubs from Gael Hancock in the Graduate Studies Office.

I hope you enjoy your time at UNLV. If I can be of any assistance, please do stop by and say hello.

It will also provide essential skills for a career in hospitality education if that is your goal.

As coordinator of the program, I am your advisor and will help you navigate the program to successful completion. You should meet with me early in your first semester to map out your plan of study for your entire academic career. After that, you should schedule meetings each year to make sure you stay on track. I can help you decide what electives to take and in what sequence you should complete your required classes. If you were admitted provisionally, I will work with you to ensure that you meet the conditions of your admission.

I look forward to getting to know you, following your progress through the program, and cheering you on when you walk across the stage at graduation to receive your dual degrees.

The professional paper chairperson may be either a full or associate graduate faculty member.

Prior to being allowed to register for HOA 788 Professional Paper, a student must have a chairperson, and have completed the college’s Professional Paper Form that includes the chair’s name and signature and the title and description of the topic of the professional paper.

The professional paper is usually undertaken the final semester of the student’s academic career. The Professional Paper Form should be completed at the end of the preceding semester.

Program Timeline
Full-time students in the Dual MS HOA/MS MIS program should expect to complete the degree in three years. Working with one’s graduate coordinator will help ensure a timely graduation.

Professional Code of Ethics/Discipline Guidelines

Students must complete a form and obtain the proper signatures before being given permission to register for the Internship class. This form must be turned in to the Graduate Studies Office.

International students are required to discuss this with a representative of the Office of International Students and Scholars and complete the required forms prior to applying for this class.

- Regional CHRIE organizations host smaller conferences throughout the year. Harrah Hotel College faculty members and students participate in the West Federation Conference usually held in February.

- The main focus for students in the college, is the annual Graduate Student Research Conference in Hospitality and Tourism, held the second week in January. This is an excellent opportunity for students to present their research with either stand-up presentations or in poster sessions. Travel to this conference is provided for master’s level students on a case-by-case basis.

Organizations/Associations
The hospitality industry has many different components, and there is a professional organization (or two) for each of those individual sectors. Students are encouraged to become familiar with and join the association(s) that are closely related to their areas of interest. Many of these organizations have special membership fees for students and this is a good opportunity to become involved. A list of many of the industry organizations is on the Harrah College of Hospitality website.

On campus, there are several student organizations – many related to the national/international industry associations. The list of student organizations is also on the website.

One student organization is particular to graduate students – the Hospitality Graduate Student Association (HGSA). All graduate students in the college are members. Activities, opportunities to travel to targeted conferences, and company tours are planned throughout the year by an active board.
