PhD in Nursing

NURSING EDUCATION
POST DNP TO PHD

STUDENT HANDBOOK
Fall 2019 – Summer 2020

"Nurse Leaders Begin Here"
Welcome from the Dean

On behalf of the faculty and staff, it is my pleasure to welcome you to the PhD program at the University of Nevada, Las Vegas (UNLV) School of Nursing. We are very happy that you have chosen UNLV to continue your nursing education. At the UNLV School of Nursing, we pride ourselves on creating a warm and dynamic student-centered environment. Our motto is Nurse Leaders Start Here. You will find many opportunities here for professional growth and opportunities.

This handbook provides information needed to facilitate your progression in your program of study. While the primary responsibility for your success lies with each of you, many individuals stand ready to assist you in your efforts. If you have additional questions, contact your advisor who will be happy to help. You’ve made the right choice by choosing the UNLV School of Nursing. We’re here to help you advance your nursing career through discovery and scholarship. We really believe in you and are happy to be a part of your professional journey.

Best regards

Angela Frederick Amar, PhD, RN, ANEF, FAAN
Dean and Professor

Welcome from the Associate Dean

Welcome to UNLV School of Nursing. Our programs offered in the School of Nursing are designed to develop and enhance the health care of Nevada and beyond. The faculty of the school and university strive to graduate students who are interested in what an education enables them to be and not just what it prepares them to do. As a team, we in the School of Nursing strive to prepare students with the knowledge and understanding to make the most of their opportunities for successful outcomes, both in their careers and their daily lives. Our curriculum applies theory to real-world problems so that students are prepared to achieve successful outcomes, whether they are entering a new career or advancing within their career. Many of the faculty bring relevant real-world experiences to the classroom. I encourage you to explore the various opportunities we have to offer and hope that you will find an educational and career path that makes a meaningful difference in your life.

Best wishes on your educational journey,

Tricia K. Gatlin, PhD, RN, CNE
Associate Dean for Undergraduate Affairs
Interim Associate Dean for Graduate Affairs

Welcome from the Doctoral Program Director

I would like to extend a warm welcome to you as you begin the UNLV School of Nursing PhD Program. Pursuit of a PhD in Nursing is challenging and extremely rewarding. I commend you for taking the steps needed to become an expert researcher, scholar, and leader. Our program offers you opportunities to work with faculty mentors, develop your research scholarship, and engage with peer colleagues from across the country.

Please take the time to review this PhD Handbook and keep it as a reference as you progress through your program of study. Feel free to contact me at (702) 895-5402 or e-mail: catherine.dingley@unlv.edu. Ms. Elizabeth Gardner is the SON Student Services Director; you can reach her at (702) 895-5923 and e-mail: elizabeth.gardner@unlv.edu. She is a valuable resource and can assist you throughout the program. I look forward to working with you as you progress through your doctoral journey!

Catherine Dingley PhD, RN, FAAN
Associate Professor and PhD Program Director
INTRODUCTION

Welcome to the School of Nursing (SON) at the University of Nevada, Las Vegas (UNLV). We look forward to working with you to achieve your academic and professional goals. This handbook is designed as a resource for information pertinent to the DNP in Nursing Program. The SON and/or the Graduate College may modify programs, policies, or procedures in the future. The UNLV SON reserves the right to change, without notice, any statement in this handbook, concerning but not limited to, curricula, course, faculty, tuition, fees, policies, practices, and rules. If course or curriculum changes take place after you commence the program, we will make every effort to implement the changes in your best interest.

It is the responsibility of the individual student to familiarize him/herself with the School of Nursing policies and to act in accordance with them. This handbook is a supplement to the Graduate College Catalog. Students must abide by the policies outlined in the Graduate College Catalog and overall university policies, particularly the code of student conduct and use of social media. In order to become familiar with the Graduate College Catalog, in addition to other tools and timelines to enrich your UNLV experience, refer to the Graduate College resources for current students current or at the official UNLV website.

Additional publications students will need and find helpful are listed below:

- Graduate Catalog – Policies regarding admission, progress, and graduation ([http://catalog.unlv.edu/index.php](http://catalog.unlv.edu/index.php)).

The purpose of this handbook is to provide program specific information that is not found in the UNLV Graduate Catalog. Students are responsible for understanding and following the policies and procedures delineated in this document and the UNLV Graduate Catalog, as well as the NSHE Code, UNLV Bylaws, and the UNLV Student Conduct Code. Questions about policies should be directed to the Graduate College: [valarie.burke@unlv.edu](mailto:valarie.burke@unlv.edu) or [emily.lin@unlv.edu](mailto:emily.lin@unlv.edu).

IMPORTANT INFORMATION ABOUT E-MAIL

Please make sure you activate your Rebelmail account by going to: [http://rebelmail.unlv.edu/](http://rebelmail.unlv.edu/). This email address is important for you to receive university-wide student announcements and also announcements from the SON Graduate Program.

The Graduate Program in the SON maintains a listserv that is available to doctoral students. We will add you to this listserv upon acceptance into the DNP program. Only official UNLV e-mail addresses (Rebelmail) will be used for communication per UNLV policy. Every student is given a Rebel e-mail address on official admission and enrollment at UNLV. You may forward all your Rebelmail messages to your preferred e-mail address if you have another e-mail account. However, it has been noted in the past that not all messages forward so we strongly encourage you to check your Rebelmail daily. Additionally, e-mail is the main vehicle used by the SON to provide students with vital information about scholarships, announcements, class information, etc. Also, faculty and administrators frequently use e-mail to communicate with students on issues pertinent to an individual student and will always use the student’s Rebelmail account.

CHAPTER I
INFORMATION ABOUT THE UNIVERSITY OF NEVADA, LAS VEGAS

University of Nevada, Las Vegas
4505 Maryland Parkway
Box 453018
Las Vegas, Nevada 89154-3018
Main telephone number: (702) 895-3011
School of Nursing: (702) 895-3360

Over 30,000 students attend classes at UNLV’s 335-acre campus. Most students are Nevada residents; however, a lively mixture of international and out-of-state students add to the cosmopolitan quality of the campus.

UNLV is fully accredited by the Northwest Consortium of Colleges and Universities (NWCCU), and many academic programs have received further accreditation from independent national accrediting bodies. The School of Nursing is approved by the Nevada State Board of Nursing (NSBN) and the Commission on Collegiate Nursing Education (CCNE).

ACADEMIC CALENDAR:
There are three 15-week trimesters - fall (early September to mid-December), spring (early January to late April), and summer (mid-May to late August) for all SON programs. Please note that the School of Nursing operates on a different calendar from the rest of the university.

RESOURCES ON CAMPUS:
Library: The Lied Library opened in summer 2000. It occupies 327,000 square feet in five stories. The library has 2,500 study spaces, more than half of them with full network connections. Laptops are available for in-library use and students may access the internet via wireless access. An Information Commons with microcomputer workstations; a Collaborative Learning Center offering electronic instructional rooms; 24 hour study space; media distribution system and retrieval system capable of storing 1.2 million volumes. The Lied Library includes a Special Collections section that provides unique materials relating to Las Vegas and southern Nevada history. It also houses the Gaming Research Collection and the Nevada Women’s Archives.

The Library offers access to information resources and databases available in electronic format. Services also include traditional reference and information assistance: individualized and classroom instructional sessions on subject-related resources and technologies: interlibrary loan and document delivery.

Book Store: The University Bookstore is conveniently located behind the Student Union. Rebel Books is located on Maryland Parkway across from the University. Both bookstores have the required and recommended textbooks available for purchase. Other merchandise available includes supplies required for courses, reference materials, emblematic souvenirs, insignia clothing, and a variety of sundry items. Both bookstores have extended hours of operation during the first week of the semester. You can order your textbooks online through the University Bookstore or by calling (702) 895-3290.
**Alternate Method to Purchase Books:** Many students may not have easy physical access to the UNLV Bookstore. You can choose to purchase your textbooks online either from the UNLV Bookstore or from an online textbook company such as Amazon.

**Student Union:** The Student Union's primary concern is to cooperate with university groups to promote and coordinate a full range of programs and events, which add to the color and life of the campus environment. It also provides the various services, conveniences and amenities the members of the university community need in their daily life on campus. Serving as the central gathering place for the entire university community, the Student Union houses cafeteria and delicatessens, coffee bar, game rooms, a spacious theater, lounges, and meeting and program rooms. Offices of the Consolidated Student Government (CSUN) are located on the first floor. The campus newspaper is also in the Student Union.

**Graduate College Office:** This office is located on the 3rd floor of the Flora Dungan Humanities Building (FDH). This office receives the application forms and transcripts for admission to the graduate college. The Graduate College is responsible for tracking the admission, progression, and graduation of students. They deal with enrollment, registration problems, and provide the necessary forms graduate students need to submit as they progress through their degree programs.

**Office of the Registrar:** The Office of the Registrar can answer questions regarding residency requirements and is responsible for the processes of registration, withdrawals and recording graduation. The staff handles students' questions about their records and provides transcripts and enrollment certification documents. They are located in the Student Services Complex - Building C (702) 895-3443.

**Career Services:** The Career Services Center is designed to educate and assist students in all majors with the career planning and job search process. Services include resume writing, self-assessment resources, and videotaping equipment. They are located in the Student Services Complex - Building A, Room 201 (702) 895-3495.

**Disability Resource Center:** The Disability Resource Center (DRC) provides academic accommodations for students with documented disabilities that are otherwise qualified for university programs. To establish services, students need to provide to the Center appropriate documentation of their disability, from a recognized professional. The center is located in the Student Services Complex - Building A, Room 143 (702) 895-0866.

**Counseling:** Student Counseling and Psychological Services (CAPS) offers free professional counseling in the areas of personal, social, and emotional concerns. Couples counseling, career development, drug and alcohol use assessment, and group counseling are also offered. These services, provided by clinical and counseling psychologists, are available to all currently enrolled students. The center is located in the Student Recreation & Wellness Center, Room 1500 (702) 895-3627.

**Student Health Center:** The Student Health Center offers services to registered and enrolled UNLV students. The Center staff includes nurse practitioners, physicians, registered nurses, and support personnel to provide essential health services. Services offered include health information and advice, treatment for minor illness and first aid, early detection and referral of chronic illnesses, pregnancy testing and contraception, sexually transmitted disease screening and treatment, and evaluation of substance abuse. To obtain a full list of services, phone (702) 895-0630. A student health fee is charged to all students to defer some of the costs of services.
In accordance with state law, all admitted students must prove immunity to tetanus, diphtheria, measles, mumps, rubella, and others that may be specified by the State Board of Health, prior to being permitted to register for classes. Meningitis vaccines are recommended. In addition, nursing students are required to demonstrate proof of Hepatitis B vaccinations, Varicella vaccination, and annual tuberculosis testing. All newly admitted students are required to complete the Admission Health Report Form prior to registration for classes. For further information contact the Student Health Center at (702) 895-0630.

All graduate nursing students are required to maintain and show proof of current health insurance and current unencumbered license as an RN.

**Student Health Insurance:** Is available to students enrolled in at least five credits but students in 9 or more credits are automatically enrolled. If the student has insurance outside the university plan, the student may waive out of this coverage and fee. This plan provides services beyond those available through the Student Health Center. Optional dependent insurance is also available. Claim form and brochures may be picked up in the Health Services Office or Cashier’s Office prior to the beginning of each semester. For more information contact the Student Health Services at (702) 774-7119.

**Veteran Services:** The Veterans Administration recognizes the UNLV as a fully accredited institution of higher learning where qualified veterans, service persons, certain wives, widows and children may pursue their educational goals under the various chapters of the Veterans' regulations (G.I. Bill, etc.).

The Veteran Services office functions primarily for certification of enrollment status to the Veterans Administration. In addition, the office attempts to help veterans with questions about eligibility, specific problems, and education benefits. The office is located in the Student Services Complex Building A, Room 311 (702)895-2290.

**Housing and Food Service:** Dormitories provide on-campus housing for enrolled single students, or those living away from spouse /or children. The Office of Campus Housing is responsible for the development of a comprehensive housing and food service program. Applications for residency may be acquired by writing to Campus Housing, through the UNLV web site or by calling 702-359-0300. Applications are processed as they are received.

The Hazel M. Wilson Dining Commons serves dormitory residents and other university students. Students living off campus may purchase a meal card or may pay in cash for each meal in the Dining Commons.

**Housing when coming to UNLV:** For hotel accommodations for those who want to stay close to UNLV main campus, one of the closest hotels (about a 10 minute walk) is The Hyatt Place, 4520 Paradise Road, Las Vegas, NV 89169, (702) 369-3366.

**Professional Development Academy**
The goal of the Professional Development Academy is to serve as a virtual resource providing support and many professional opportunities to UNLV graduate students. The Academy offers information about events and services such as graduate certificate programs, workshops, training sessions and career services. You can follow Academy activities via social media or look for regular updates on the website.

**Academic Success Center**
The goal of the Academic Success Center is to help students do well academically and complete they studies on time. They offer or will refer you to such programs and resources as tutoring, advising, skills testing,
career exploration and more. They guide students every step of the way to the many established resources created to ensure they complete their educational goals. Learn more about the programs and services the center currently offers.

**Alumni Association**
With an alumni base 120,000 strong, the UNLV Alumni Association offers a variety of services and opportunities in support of alumni and their families. UNLV alumni are encouraged to support the values of higher learning through advocacy, involvement, and giving.

**Commencement Office**
Located in the UNLV Office of the Registrar, the commencement office is the last step in the graduation process. Please check with the commencement office for information on the commencement ceremony and your diploma; for all other information about graduate student degree completion and graduation, including thesis/dissertation requirements and doctoral hooding, please contact the Graduate College.

**Office of Diversity Initiatives**
The vision of the Office of Diversity Initiatives is to advocate, promote, and support the advancement of equity, inclusiveness, and empowerment of a continuously changing collegiate and global community. The mission of the Office of Diversity Initiatives is to provide leadership and support for UNLV’s diversity mission: *to nurture equity, diversity, and inclusiveness that promotes respect, support, and empowerment.* This Office also handles UNLV Title IX questions, inquiries, and reporting.

**Office of International Student and Scholars**
International Students and Scholars (ISS) ensures compliance with both SEVIS (Student and Exchange Visitor Information System) and federal law, so that the university can continue to be authorized by the U.S. federal government to enroll international students; host and hire international scholars; assist and advise employment eligibility and authorization relating to international students and scholars, and visa, travel, and immigration issues; provide critical and specialized services to the international students and scholars of the UNLV community; and facilitate their transition to the campus and the U.S.

**Jean Nidetch Women's Center**
The Jean Nidetch Women’s Center is committed to creating a supportive and inclusive environment for all genders through programming, services, and advocacy for the UNLV community. The Women’s Center has informational resources, brochures, and flyers for a variety of on and off campus organizations to help empower and protect yourself, and learn about your options. They also provide free tampons, pads, and condoms.

**The Intersection**
The Intersection is a one-stop resource for UNLV’s highly diverse student body — a comprehensive multicultural center grounded in the academic life of our students. As an intersecting campus resource, the Intersection helps ensure students, particularly first-generation and students of color, successfully navigate their academic careers. Here, all members of campus can discuss their differences, discover their similarities, and build a shared sense of belonging.

**Office of Student Conduct**
The Office of Student Conduct is a student-centered, service-oriented office located within the Division of
Student Affairs. The Office of Student Conduct collaborates with the UNLV community to provide an inclusive system through enforcement of the **UNLV Student Code of Conduct** by:

- Promoting awareness of student rights and responsibilities;
- Establishing accountability for student choices;
- Creating opportunities for involvement in the process; and
- Striving to uphold the values and ethics that advance the common good.

**The Financial Aid & Scholarships Office**
The Financial Aid & Scholarships Office supports higher-education access and persistence by providing financial aid to eligible students. The office partners with student organizations, the UNLV Foundation, the Graduate College, and other external constituents to provide financial aid learning opportunities and scholarship support for graduate students.

**GENERAL REGULATIONS AND REQUIREMENTS OF THE UNIVERSITY**

Graduate students are responsible for knowing and acting in accordance with UNLV Policies and Procedures. To view the most commonly referenced campus policies and procedures, you can refer to the following websites:

- Academic Integrity
- Activation for Military Service
- FERPA/Privacy Rights
- Health Insurance - Mandatory
- Jeanne Clery Campus Safety and Security Report
- Proof of Immunization
- Policies and Procedures on the Protection of Research Subjects
- Rebelmail Policy
- Student Conduct Code
- Student Computer Use Policy
- Title IX

To ensure compliance with Graduate College policies and procedures, please review the relevant sections of the Graduate Catalog:

- Academic Calendar
- Academic Policies
- Admission and Registration Information
- Degree Progression Policies & Procedures

In addition, the [Graduate College website](#) contains additional information regarding policies and procedures.

**Annual Review Procedures**

Each spring term, graduate students are required to complete the Graduate Student Annual Review survey. This survey will be sent by the Graduate College to the student’s Rebelmail account. The review covers the prior calendar year and assesses student progress while setting goals for the year ahead. *Nothing in this handbook supersedes any NSHE, UNLV, or Graduate College policy.*

Students are responsible for knowing and observing the **Rules and Disciplinary Procedures for Members of the University Community (NSHE Code, Chapter 6)**. This code outlines the responsibilities of students, as
well as the rules, sanctions and hearing procedures in effect on the campus. Any conflict between this code and the School of Nursing Handbook shall be interpreted in favor of the code. Printed copies of the code are available at the Division of Student Life.

**Use of Automobiles:** University parking and traffic regulations govern all vehicles operated on the campus, and violators are subject to a fine. The regulations are enforceable in the civil courts, as well as through the internal processes of the university. Each student must complete an automobile registration card and purchase a parking permit during registration. This permit will allow authorized users to park on campus in accordance with published parking regulations. Students should obtain a copy of the regulations booklet when applying for their permit. Stickers and information can be obtained from the University Police Office in the Claude Howard Public Safety Building at times other than the registration period as well. Students attending classes one-to-three times per semester can purchase day parking passes at the Claude Howard Public Safety Building.

**Alcoholic Beverages:** The storage, possession, and/or use of alcoholic beverages, is not allowed on the university campus or other university property unless prior approval is obtained in writing from the University President. The President will only grant this authorization upon being satisfied that proper supervision is provided in the dispensing of alcoholic beverages.

**Change of Address:** Any change of address should be reported immediately to MyUNLV and to the School of Nursing. Any correspondence from the university mailed to the last address provided by the student to MyUNLV will discharge all university responsibility for notification.

**Use of University Facilities:** University facilities including campus grounds are provided primarily for the support of the regular educational functions of the university and the activities necessary for the support of these functions. The university's functions take precedence over any other activities in the use of university facilities. Freedom to speak and to hear will be maintained for students, faculty and staff, and university policies and procedures will be used to provide a full and frank exchange of ideas. An invitation to speak at the university does not imply that the university endorses the philosophy or ideas presented by the speaker.

Any fund raising efforts by student organizations off campus must be cleared by the Dean of Student Services.

University facilities may not be used for the purpose of raising monies to aid projects not related to some authorized activity of the university or of university groups, and no efforts at conversion and solicitation by uninvited non-campus groups or individuals will be permitted on campus.

**Academic Misconduct:** Academic integrity is a legitimate concern for every member of the campus community; all share in upholding the fundamental values of honesty, trust, respect, fairness, responsibility and professionalism. By choosing to join the UNLV community, students accept the expectations of the Academic Misconduct Policy and are encouraged when faced with choices to always take the ethical path. Students enrolling in UNLV assume the obligation to conduct themselves in a manner compatible with UNLV’s function as an educational institution.

An example of academic misconduct is plagiarism. Plagiarism is using the words or ideas of another, from the Internet or any source, without proper citation of the sources.
The SON faculty reserves the right to have student papers analyzed by the internet service “Turnitin” for plagiarism. For more information about plagiarism please visit the Turnitin website. It is highly recommend that you take the short quiz after you view the short video.

If a student in a particular course is deemed by the instructor to be guilty of academic dishonesty, the student may be assigned a failing grade for the corresponding segment of the course. The instructor may also assign a failing grade for the entire course. In all cases, the instructor is responsible for recording the circumstances and for giving the student an opportunity to reply.

If any member of the university community is deemed guilty of academic dishonesty, any other member may bring action under the Rules and Disciplinary Procedures for Members of the University Community. For further information contact the Office of Student Conduct at (702)895-2308.

**Copyright:** The University requires all members of the University Community to familiarize themselves with and to follow copyright and fair use requirements. You are individually and solely responsible for violations of copyright and fair use laws. The university will neither protect nor defend you nor assume any responsibility for employee or student violations of fair use laws. Violations of copyright laws could subject you to federal and state civil penalties and criminal liability, as well as disciplinary action under University policies.

**Disability Resource Center:** DRC determines accommodations that are “reasonable” in promoting the equal access of a student reporting a disability to the general UNLV learning experience. In so doing, the DRC also balances instructor and departmental interests in maintaining curricular standards so as to best achieve a fair evaluation standard amongst students being assisted. In order for the DRC to be effective it must be considered in the dialog between the faculty and the student who is requesting accommodations. For this reason faculty should only provide students course adjustment after having received this “Academic Accommodation Plan.” If faculty members have any questions regarding the DRC, they should call a DRC counselor.

UNLV complies with the provisions set forth in Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. The DRC is located in the Student Services Complex (SSC-A), Room 143, phone (702) 895-0866, fax (702) 895-0651.

**Religious Holidays Policy:** Any student missing class quizzes, examinations, or any other class or lab work because of observance of religious holidays shall be given an opportunity during that semester to make up missed work. The make-up will apply to the religious holiday absence only. It shall be the responsibility of the student to notify the instructor no later than the last day of late registration of his or her intention to participate in religious holidays which do not fall on state holidays or periods of class recess. This policy shall not apply in the event that administering the test or examination at an alternate time would impose an undue hardship on the instructor or the university which could have been avoided.

**Tutoring:** The Academic Success Center (ASC) provides tutoring and academic assistance for all UNLV students taking UNLV courses. Students are encouraged to stop by the ASC to learn more about subjects offered, tutoring times, and other academic resources. Students may learn more about tutoring services by calling (702) 774-4623.

**UNLV Writing Center:** One-on-one or small group assistance with writing is available free of charge to UNLV students at the Writing Center, located in CDC-3-301. Although walk-in consultations are sometimes
available, students with appointments will receive priority. Appointments may be made in person or by calling 895-3908. The student’s Rebel ID Card, a copy of the assignment, and two copies of any writing to be reviewed are requested for the consultation.

**Rebelmail:** By policy, faculty and staff should email students’ Rebelmail accounts only. Rebelmail is UNLV’s official email system for students. It is one of the primary ways students receive official university communication such as information about deadlines, major campus events, and announcements. All UNLV students receive a Rebelmail account after they have been admitted to the university. Students’ email prefixes are listed on class rosters. The suffix is always @unlv.nevada.edu.

**ADA Accommodations:** For all faculty and staff (professional and classified) ADA accommodation determinations, please contact EEO/AA Compliance Office, located in Flora Dungan Humanities (FDH), Room 512, (702) 895-3656.

**Consensual Relationships:** UNLV prohibits romantic or sexual relationships between members of the university community when one of the individuals involved has direct professional influence or direct authority over the other.

**Final Examinations:** UNLV requires that final exams given at the end of a course occur at the time and on the day specified in the class schedule.

**General Classroom Procedures:** Faculty members are expected to hold class meetings that are:

- Consistent with the course schedule. When faculty members must miss an occasional class (e.g., for professional meetings, due to sickness, or for the observance of a religious holiday), they are expected to reschedule that class meeting or to arrange for a replacement, or provide alternative instruction or assignments (see complete Missed Classes policy here);
- Maintain a predictable number of office hours which shall be posted and the faculty shall be available to students, colleagues, and others;
- Evaluate academic performance fairly;
- Counsel students;
- Carry through with their workload commitment in accordance with UNLV, college/school, and department/unit bylaws. Faculty members should have prior approval from their supervisor before missing/rescheduling classes and/or missing other scheduled duties, with the exception of emergencies;
- Continue their professional development; and
- Meet their obligations to the university community.

**Missed Class(es)/Student:** As a general rule, a student missing a class or laboratory assignment because of observance of a religious holiday shall have the opportunity to make up missed work. Students must notify the instructor of anticipated absences by the last day of late registration to be assured of this opportunity. Faculty may give students an additional week, but are encouraged to set a clear deadline.

NOTE: Students who represent UNLV at any official extracurricular activity shall also have the opportunity to make up assignments, but the student must provide official written notification to the instructor no less than one week prior to the missed class(es).

This policy shall not apply in the event that completing the assignment or administering the examination at an alternate time would impose an undue hardship on the instructor or the university that could reasonably have been avoided.
There should be a good faith effort by both faculty and student to come to a reasonable resolution. When disagreements regarding this policy do arise, they can be appealed to the department chair/unit director, college/school dean, and/or the Faculty Senate Academic Standards Committee.

For purposes of definition, extracurricular activities may include, but are not limited to: band, drama, intercollegiate athletics, recruitment, and any other activity sanctioned by a college/school Dean, and/or the Executive Vice President and Provost.

**Saturday Classes Holiday Schedule:** In general, if a holiday falls on a Monday, then Saturday classes meet. If a holiday falls on a Friday, then Saturday classes do not meet. To review the Faculty Senate policy detailing when Saturday classes are considered holidays, please see “Saturday Classes Holiday Policy” in the alphabetical listing.

**Teaching Evaluations:** In order to evaluate the effectiveness of teaching at UNLV, course evaluations are required to be administered at the end of each course. Teaching evaluations are a very important piece of assessment data and it is important that the reliability, validity, and legitimacy of these instruments be maintained. The minimum standards for administering these evaluations (Anonymity, Objectivity and Post-Evaluation Procedures) are outlined in the document “Minimum Standards for Teaching Evaluation by Students”. This document has been approved unanimously by the Academic Council of Deans and the Executive Vice President and Provost as reflecting the minimum standards that apply to all departments/schools/units when administering student evaluations of teaching.

**Equal Opportunity:** The UNLV is committed to and will provide quality equality of educational and employment opportunity for all persons regardless of race, sex, age, color, national origin, ethnicity, creed, religion, disability, sexual orientation, gender, marital status, pregnancy, veteran status, or political affiliation – except where sex, age, or ability represent bona fide educational or employment qualifications or where marital or veteran status are statutorily defined eligibility criteria for federal or state benefit programs. Further, the university seeks to promote campus diversity by enrolling and employing a larger number of minorities and women where these groups have historically been and continue to be under-represented within the university in relation to availability and may extend preference in initial employment to such individuals among substantially equally qualified candidates, as well as to veterans, Nevada residents, and current state employees seeking promotion. Inquiries concerning compliance with federal or state laws prohibiting such discrimination should be directed to the Office of Diversity Initiatives, FDH 560 (702) 895-5580.

The University of Nevada, Las Vegas, is dedicated to the equality of educational opportunity, and the creation and maintenance of a campus environment free of barriers that discriminate against individuals with disabilities. Equality in access is achieved through reasonable classroom accommodations, and reasonable adaptation of examination and evaluation procedures. In the same vein, becoming a DNP student requires the completion of a professional education program that is both intellectually and physically challenging. The candidate should be able to perform in a reasonably independent manner. Reasonable accommodation does not mean that students with disabilities will be exempt from certain tasks. The following are academic tasks that applicants are expected to meet in order to participate in the School of Nursing programs and professional practice.

1. **Observation**
   The applicant must be able to observe demonstrations and experiments in basic and applied sciences, as well as in didactic courses in nursing theory and practice. The applicant must be able to accurately observe a patient for the purpose of assessment, intervention and evaluation. Observation requires the
use of judgment as well as the functional use of the senses of vision, audition, olfaction and palpation.

2. Communication
An applicant must be able to read, write, speak and understand English at a level consistent with successful course completion. The applicant must be able to communicate effectively and sensitively with patients and all members of the health care team.

3. Motor
Applicants must have sufficient motor function to elicit information from patients by palpation, auscultation, percussion, and other evaluative procedures. An applicant must possess all skills necessary to carry out diagnostic or therapeutic procedures and be able to interpret appropriate examinations and procedures. Applicants should also be able to execute reasonable motor movements required to provide general or emergency treatment of patients.

4. Conceptual Integrative and Quantitative Abilities
The applicant must be able to measure, calculate, reason, analyze, evaluate, and synthesize complex information. Problem solving is a critical skill demanded of nurses and requires all of the aforementioned intellectual abilities.

5. Behavioral and Social Attributes
Applicants must possess the emotional health required for full use of their intellectual abilities, the exercise of good judgment, the prompt completion of all responsibilities attendant to the assessment, intervention and evaluation of patients and the development of mature, sensitive and effective relationships with patients and coworkers. Applicants must be able to tolerate physically taxing workloads and to function effectively under stress and adapt to changing environments, display flexibility and learn to function in the face of uncertainties inherent in the clinical care of many patients. Compassion, integrity, concern for others, interpersonal skills such as interest and motivation are all qualities which each applicant should possess.

UNIVERSITY GRADING SCALE AND SYMBOLS
Within the university system an instructor has the right to provide final grades utilizing either a 4-point scale (A through F) or a plus and minus system.

CHAPTER II

SCHOOL OF NURSING MISSION, PURPOSE, AND PROGRAM OUTCOMES

SCHOOL OF NURSING MISSION and VISION STATEMENTS:
The SON is a partner in the Division of Health Sciences, which is comprised of the schools of Dental Medicine, Nursing, Public Health, and Allied Health. Guided by a mission that demands that UNLV serves its community, the Division is using research, education, training, and service to form unique public and private partnerships. These partnerships are helping provide quality health care to the underserved, educating future professionals, and exploring ways to improve the health and well-being of our citizens. Taken together, UNLV is helping build a foundation for a healthier and more vibrant Nevada.

The Mission of the SON is “…to educate nurses at the undergraduate and graduate levels to meet health care needs in Nevada and beyond. The School of Nursing promotes, improves, and sustains human health through evidence-based education and advances in research and practice.” The mission is supported by the SON Vision Statement which is to “Shape the future of nursing education, research, and practice” and the SON motto, “Nurse leaders begin here”, adopted in 2014.

PhD in NURSING GOAL STATEMENT:
Our goal is to prepare PhD scholars to advance nursing science and practice through rigorous research, evidence-based education, and dynamic leadership.

American Association of Colleges of Nursing (AACN) statement: The Doctor of Philosophy (PhD) represents the highest level of formal education for a career in research and the scholarship of discovery. It prepares scholars for the expression and communication of the knowledge base in the profession. The PhD graduate develops the science, stewards the profession, educates the next generation of nurses, defines its uniqueness, and maintains its professional integrity.

PHILOSOPHY OF THE PhD IN NURSING PROGRAM:
The program of study builds on the premise that students learn best when faculty model and exemplify what is taught. Faculty and students collaboratively seek to demonstrate the creativity and flexibility inherent in the teaching enterprise. We believe that all participants have unique abilities and values which collectively enrich the program.

A program wide commitment to mutual respect for diversity of talents, viewpoints, experiences, and abilities shape the interactions of the program and serve as a yardstick for success. Innovation as inherent to the process of education and embraced as a program cornerstone. We further believe that education can enhance the lives of faculty members, students, and patients served.

Modeling effective teaching requires faculty have a capacity to serve as participant and learner in the process of education. Conversely, the student serves not merely as a recipient, but as a collaborator in the educational process. Faculty members are responsible for creating the conditions for students to build competence and confidence in meeting program objectives. Students are responsible for their own learning: both choices made and consequences emergent from those choices.

Located in the State of Nevada, the program attempts to express the values of the citizens of the state: pragmatism, independence, and self-development. As graduates become leaders in nursing and healthcare, they impact quality of care delivery and healthcare systems. As nurse researchers/scholars, graduates contribute to the body of nursing knowledge benefiting the discipline, communities, families, and
individuals. As educators, graduates enhance the competencies of the students they teach, and ultimately the quality of care provided by graduate nurses.

OUTCOMES OF THE PhD IN NURSING PROGRAM:
Individuals who complete the PhD in Nursing Program will be prepared for roles as leader, researcher/scholar, and educator in academia, the health care industry, or government and private organizations focused on health care.

Graduates will fulfill the following program outcomes:

- Provide leadership for the advancement of nursing as a scientific and practice discipline through the conduct of culturally competent scholarship and identification of implications for policy, discipline and the profession.
- Conduct and communicate original research that generates new knowledge.
- Discover, implement and evaluate innovative approaches to teaching and learning.

The UNLV SON PhD program is aligned with the AACN’s Task Force on Research-Focused Doctoral Education in Nursing. Students are encouraged to review the position paper found on the AACN website.

SCHOOL OF NURSING DEFINITION OF CIVILITY:
The University of Nevada, Las Vegas School of Nursing defines civility by respecting others and honoring differences to provide a safe and supportive learning and work environment. Civility encompasses behaviors expected by the profession of nursing, which includes students, faculty, and staff members.

NURSING STANDARDS:
The American Nurses Association has defined standards and codes by which all nurses practice. As a professional program it is expected that students will demonstrate behaviors that reflect the defined standards of nursing throughout their academic experience. Students in the specialty areas will also be guided by published standards appropriate to their specialty.

American Nurses Association Standards of Nursing Practice
1. The collection of data about the health status of the client/patient is systematic and continuous. The data are accessible, communicated, and recorded.
2. Nursing diagnoses are derived from health status data.
3. The plan of nursing care includes goals derived from the nursing diagnoses.
4. The plan of nursing care includes priorities and the prescribed nursing approaches or measures to achieve the goals derived from the nursing diagnoses.
5. Nursing actions provide for client/patient participation in health promotion, maintenance and restoration.
6. Nursing actions assist the client/patient to maximize his health capabilities.
7. The client's/patient's progress or lack of progress toward goal achievement is determined by the client/patient and the nurses.
8. The client’s/patient's progress or lack of progress toward goal achievement directs reassessment, reordering of priorities, new goal setting and revision of the plan of nursing care.

CODE OF ETHICS:
The graduate program also adheres to the Code of Ethics for Nurses as published by the American Nurses Association (2015).

1. The nurse practices with compassion and respect for the inherent dignity, worth, and unique attributes of every person.
2. The nurse’s primary commitment is to the patient, whether an individual, family, group, community, or population.

3. The nurse promotes, advocates for, and protects the rights, health, and safety of the patient.

4. The nurse has authority, accountability, and responsibility for nursing practice; makes decisions; and takes action consistent with the obligation to provide optimal care.

5. The nurse owes the same duties to self as to others, including the responsibility to promote health and safety, preserve wholeness of character and integrity, maintain competence, and continue personal and professional growth.

6. The nurse, through individual and collective effort, establishes, maintains, and improves the ethical environment of the work setting and conditions of employment that are conducive to safe, quality health care.

7. The nurse, in all roles and settings, advances the profession through research and scholarly inquiry, professional standards development, and the generation of both nursing and health policy.

8. The nurse collaborates with other health professionals and the public to protect human rights, promote health diplomacy, and reduce health disparities.

9. The profession of nursing, collectively through its professional organizations, must articulate nursing values, maintain the integrity of the profession, and integrate principles of social justice into nursing and health policy.
CHAPTER III
REGISTRATION REQUIREMENTS & ORIENTATION

Notice of Acceptance:
Once students are notified by the Graduate College of their acceptance, the SON sends the new student important information regarding the online program. Students must do the following prior to the start of their first semester.

Orientation:
Students are required to attend School of Nursing New Graduate Student Orientation prior to starting their program. Lack of attendance in orientation without prior notice can lead to loss of placement in fall enrollment and separation (dismissal) from the university.

Computer Hardware/Software Needed by Each Student:
Since the majority of courses are taught online, you will need the following hardware/software for your home computer or readily available to you for use in the DNP Program:

1. Computer/Laptop
2. CD/DVD player (internal or external)
3. Scanner (scanner should be compatible with your operating system)
4. High-speed Internet connectivity that is consistent and reliable.
5. The following required software can be downloaded online from UNLV’s Student Computing Support Center: a) Microsoft IE (browser), b) RealPlayer (plug-in for video/audio), and c) Adobe Acrobat Reader (web browser plugin which enables users to open .PDF files). For questions regarding downloading and for technical support, contact UNLV’s Student Computing Support Center at 702-895-0777.
6. Microsoft Office can be purchased by UNLV students at a discounted rate. More information here.
7. File Compression software (e.g. WinZip-PC, ZipIt-Mac)

UNLV Accounts Students Need to Activate:
There are three UNLV accounts you will need to activate prior to orientation.

1. The first account is your UNLV Rebelmail. IMPORTANT! Please use this account for all your UNLV correspondence. If you do not activate this account, you will not get any UNLV-wide student announcements or be able to participate in the graduate listserv dialog. You can activate this account by going to: https://rebelmail.unlv.edu and following the online instructions.
2. The second account to activate is your ACE account. ACE accounts are created for students upon admission to UNLV. Students will receive an email to their personal email account with their ACE credentials and account setup instructions. The ACE account will grant access to various campus resources once a student has enrolled in a course.
3. The third account to activate is your UNLV WebCampus account. For additional information, click on “First time logging in?” under students on the right panel. (Note: Once you’ve completed the registration process, the course(s) you registered for will automatically be added to your WebCampus account the following night. You will not be able to log into WebCampus until 24 hours after registering and no earlier than the first week before classes.)
CHAPTER IV
FEES, EXPENSES AND FINANCIAL ASSISTANCE

Tuition and Fees:
Detailed information concerning tuition and fees is found on the Graduate College web site at: http://www.unlv.edu/graduatecollege

Financial Assistance:
Students should check with the Financial Aid & Scholarships Office for specific scholarships/loans available. The Financial Aid & Scholarships Office can provide the necessary forms to be submitted. This office is located in the Student Services Complex, Room 232 (702-895-3424). To facilitate application the student should complete the Free Application for Federal Student Aid (FAFSA)

Scholarships available to graduate students in all disciplines: Scholarships for which all graduate students on campus may apply are identified in the Graduate Catalog. Students should check with the Graduate College web page for the latest information on Graduate Scholarships and Fellowships.

Scholarships available to students enrolled in the Graduate Program in Nursing:
A number of scholarship and fellowship opportunities are available through the SON. Please review the School website for up-to-date information on these opportunities. Below is a description of some of these opportunities.

Zeta Kappa Chapter at UNLV of Sigma Theta Tau International Research Scholarships:
Competitive awards provided to members of the honor society for completion of research projects or as awards for winning the research poster competition. Information may be obtained from the Zeta Kappa Chapter of Sigma Theta Tau International website.

Nurse Faculty Loan Program:
This is a federal forgiveness loan program for individuals pursuing an advanced degree in nursing education. Tuition, fees and books are covered by this loan. A student may obtain this loan for up to 5 years as long as the student is enrolled. Within 12 months of graduation the student must find full time employment teaching in a school of nursing or two part time positions in a school of nursing that equal full time employment. At the end of each of the first three years 20% of the loan is forgiven and at the end of the 4th year of employment teaching in a school of nursing another 25% of the loan is forgiven. A call for applications will be sent via the list serve when the School of Nursing is notified of award.

Graduate Assistantships:
Graduate assistantships are available in the SON. A graduate assistant (GA) may be employed to teach or assist faculty involved in research and other scholarly activities. A limited number of graduate assistantships are available. For more information about Graduate Assistantships, visit the following websites:

• Information from the Graduate College about becoming a GA can be found here
• Information about becoming a GA for the School of Nursing can be found here
• Apply to be a Graduate Assistant through Grad Rebel Gateway
CHAPTER V
POLICIES

Advisement:
Students admitted to the School of Nursing will be assigned an advisor/chair upon admission. Failure to consult with the advisor/chair when requested may result in separation (dismissal) from the SON.

Please review SON policy S-5 at: https://www.unlv.edu/nursing/student-resources/policies

Progression:
To progress in the School of Nursing, the student must:
1. Maintain a cumulative grade point average of 3.00 (B) or above each semester enrolled.
2. Receive a grade of “B” or above in all required nursing courses. If less than a “B” occurs, for example a “B-” is earned, the student must repeat the course. The student may repeat a course only one time.
3. Register for any course offered via the student’s plan of study only two times. A student who has registered for the same course twice and has withdrawn or received a grade of less than a “B” is ineligible for readmission unless approved via appeal by the Graduate College and allowed to continue in the program.
4. Complete a minimum of six degree program credits per calendar year (an average of three credits per semester; calendar year defined as fall and spring semesters).
5. Maintain the standards of academic and professional integrity expected in a particular discipline or program.

Note: If a student has not progressed as contracted, for example is not successful in a course, and a curricular change occurs in the interim, the student will be required to take the new course(s) if the other course(s) have been deleted from the curriculum.

Please review SON Policy S-12 at: https://www.unlv.edu/nursing/student-resources/policies

GRADUATION REQUIREMENTS: Please see the Graduate Catalog (https://catalog.unlv.edu/index.php?catoid=30) for graduation requirements.

1. Residency Credits: Each track has a differing credit requirement, and the current catalog should be consulted. No more than three courses (maximum of seven internal or six external credits) may be transferred into the program. Transfer credit must be approved by the Program Director. Transfer students with seven or more credits will be unable to attend UNLV as a "graduate special" and prior to admission must be admitted into one of the program tracks.
2. Credit by Challenge Examination: Graduate courses (with a 600 or 700 number or above) may not be challenged for credit.
3. Six or Eight year Completion Rule: All doctoral degree requirements must be completed within six (6) calendar years for post-master’s students or eight (8) calendar years for post-bachelor’s doctoral students from the date of matriculation. No credit may be used in an advanced degree program for course work completed more than six (6) calendar years immediately preceding the term in which all degree requirements are completed.
4. Graduation Requirements: Students have a choice of the catalog under which they wish to graduate. They may choose between: 1) the year of official matriculation, or 2) the year of graduation. Students are encouraged to meet the requirements of the current catalog.

PROCESS TO APPLY FOR GRADUATION:
1. An application for graduation is obtained from MyUNLV on the “Student Center” page. The form must be submitted via MyUNLV during the first week of the semester in which the student plans to graduate (check the class schedule for exact date).
2. After the application form is completed, the student must pay a graduation fee online.
3. Degrees are awarded in May, August, and December. University Commencement is held in May and December. All students are encouraged to participate in the commencement exercises. The SON’s Commencement/Recognition Ceremony is held in April, August, and December.

Social Media Use:
Please see the SON policy S-19 at: https://www.unlv.edu/nursing/student-resources/policies

Official Transcripts: Official transcripts of recorded work (credits) completed at UNLV bear the seal of the University and the signature of the Registrar. Upon written request from eligible students, the Office of the Registrar will issue official UNLV transcripts. Transcripts of work from other institutions will not be issued. Transcripts are not issued for any student having a delinquent indebtedness to the university.

Work in progress does not appear on the transcript and is not entered until the semester or registration period officially ends. Transcripts are not prepared during the periods of official examinations, grade recording, and registration.

POLICIES SPECIFIC TO THE SCHOOL OF NURSING

Advisement/Consultation Concerning Course Activities:
Please review SON policy S-5 at: https://www.unlv.edu/nursing/student-resources/policies

Advisement related to program contracts, such as progression or revision due to personal situations is completed by the Doctoral Program Director. Consultation concerning progression in course activities is completed with the instructor of the course. At the time the student is admitted to the program, the Doctoral Program Director will serve as the student’s advisor until such time as the student confirms a chairperson for the DNP Project examination (Advisory) committee. Students must secure a chair prior to their first DNP Project course. Students will check in with their advisor or chair each semester. Failure to consult with the advisor or chair when requested may result in separation (dismissal) from the SON.

Attendance:
Individual instructors have the authority to set attendance requirements for classes. Requirements will be published in the course syllabus. It is the student's responsibility to notify the instructor of absences in accordance with the stated policy.

Please review SON policy S-6 at: https://www.unlv.edu/nursing/student-resources/policies

Dress Code:
Please review SON policy S-7 at: https://www.unlv.edu/nursing/student-resources/policies

Bloodborne Pathogen Exposure:
The following protocol outlines a regimen for providing safe and appropriate care to students who have sustained a bloodborne exposure through a contaminated needle stick and/or body fluid exposure during a clinical experience.

1. If the student sustains an exposure to blood and/or body fluids he/she must immediately report, within 10 minutes, this exposure to the clinical instructor and the preceptor. If the student is unable to immediately contact the instructor, contact the SON office (702) 895-3360.
2. The student should then go to the nearest Emergency Department or laboratory service and ask for baseline lab testing for HIV and a Hepatitis B titer. It should be noted that the institution or agency
where the student sustained the exposure has no responsibility to provide any testing or treatment related to the exposure. The person to whom the student has been exposed (the source patient) should be tested for Hepatitis B surface antigen, Hepatitis B core and surface antibodies, Hepatitis C antibody and HIV antibody. The agency with which the student is working (as a student) may or may not pay for the cost of the lab draw on the source patient.

3. When indicated, the Centers for Disease Control and Prevention (CDC) recommends initiating post-exposure prophylaxis against HIV as close to the time of exposure as possible, ideally within one hour and continuing for 4 weeks.

Please review SON policy S-13 at: https://www.unlv.edu/nursing/student-resources/policies

**Bloodborne Pathogen and HIPAA Training:**
All BSN to DNP students are required to complete training prior to matriculation into the program and yearly thereafter. This requirement is necessary to document proof of understanding of these regulations as preceptors may require this prior to beginning clinical rotations.

Please review SON policy S-13 at: https://www.unlv.edu/nursing/student-resources/policies

**Basic Life Support Skills Validation:**
Students are required to maintain currency of Basic Life Support Skills. Testing is done every two years. The student’s card must have been renewed within the last two calendar years and must not expire before the semester ends. If a clinical agency requests validation of BLS, students are required to comply with proof by providing a photocopy or scanned copy

Please review SON policy S-13 at: https://www.unlv.edu/nursing/student-resources/policies

**Cancellation of a Class:**
The SON reserves the right to cancel any elective course in which the enrollment is insufficient to warrant offering the course. In case of cancellation the student should drop the course electronically; a refund will be processed after the drop is filed.

Please review SON policy S-6 at: https://www.unlv.edu/nursing/student-resources/policies

**Change in Class Schedule:**
The SON reserves the right to amend the information published in the Class Schedule. Changes which may occur are day, time, clinical instructor or clinical agency.

Please review SON policy S-6 at: https://www.unlv.edu/nursing/student-resources/policies

**Children in Class:**
Neither students nor faculty shall bring babies or small children into the classroom or clinical practice area. Babies and children in the classroom are disruptive, even when the visitors are quiet. Faculty may be placed in a position in which they must deny individual students the opportunity to attend class if they bring babies or children. Students should plan for childcare when on campus classes are scheduled.

Please review SON policy S-6 at: https://www.unlv.edu/nursing/student-resources/policies

**Confidentiality:**
An important part of nursing ethics is maintaining the client's confidentiality. Therefore, written work submitted to the instructor must never contain the client's full name. Clients’ problems must not be discussed with family or friends. If the SON ascertains that a client's confidentiality has been violated, the student violating the confidence will be subject to disciplinary action. HIPAA regulations require each student to sign a Student Confidentiality Statement prior to attending a clinical rotation in a clinical facility. The signed form is then given to the faculty member for placement in the student’s file.
**Computer Accounts:**
The UNLV computer labs are provided to support the academic computer needs of all currently enrolled UNLV students. Use of the labs for other purposes, commercial or otherwise, is prohibited. The rules below are intended to maintain an environment in the labs where all students can work effectively.

**Drug Screening:**
Certain clinical facilities require that students prior to a clinical experience demonstrate they are drug free by a drug screen. The screen is only required prior to enrollment in the program, if the student maintains continuous enrollment and behaviors do not suggest the use of drugs. If the student leaves the program and subsequently returns or his/her behaviors suggest that drug usage may be occurring, repeat testing will be required indicating negative results for the student to continue in the nursing program or the clinical facility.

If there is probable cause, the student must submit to an immediate drug screen at the nearest contracted laboratory. If the results of the test are positive, the cost of the screen will be the responsibility of the student. If the screen is negative, the cost for this screening will be borne by the clinical agency or the University. Any follow up care is the financial responsibility of the student.

Please review SON policy S-13 at: [https://www.unlv.edu/nursing/student-resources/policies](https://www.unlv.edu/nursing/student-resources/policies)

**English Composition Skills:**
Students should exhibit professional level composition skills. Faculty are expected to award or delete points on papers (essays, examinations, term papers, summaries on the client assessment forms, etc.) for usage of proper grammar and consistency and conciseness of thought. All formal papers written by graduate students in the DNP program should utilize APA format. All students are encouraged to purchase an APA format textbook as a reference.

**Essential Tasks:**
The SON has formulated a list of essential tasks related to observation, communication, motor abilities, conceptual-integrative and quantitative abilities, and behavioral and social attributes in which applicants and students within the nursing program should be able to engage in a reasonably independent manner, with or without reasonable accommodations. Students should review the demands of the program as a means to compare their own capabilities against the identified demands.

- Students must be able to read, write, speak and understand English at a level consistent with successful course completion and development of positive patient-nurse relationships. Students must complete readings, assignments and other activities outside of class hours. Students must gather decision-making pieces of information during patient assessment of research activities in class or in the clinical setting without the use of an intermediary such as a classmate or other nurses.
- Students may perform assessment activities in class or in the clinical setting by direct performance or by instruction and supervision of intermediaries.
- Students must apply critical thinking processes to their work in the course and the clinical setting, must exercise sound judgment in the course and in the clinical setting, and must follow safety procedures established for each course and clinical site.
- Students must have interpersonal skills as needed for productive course discussion, respectful interaction with classmates and faculty, and development of appropriate nurse-patient relationships.
- Students must maintain personal appearance and hygiene conducive to classroom and clinical settings.
- Students must pass a cardiopulmonary resuscitation course at the health professional level (BLS) every two years.
- Students must demonstrate appropriate health status prior to enrollment with annual updates on some items: no active tuberculosis as indicated in a QuantiFERON or two-step skin test; mumps, rubella (German measles) and rubeola (measles) immunity, varicella (chickenpox) immunity, tetanus-diphtheria...
booster within 10 years of anticipated admission, and completion of the hepatitis B vaccine series or titer or written declination.

- Students must follow standards and policies specified in the Student Handbook, the Letter of Understanding (contract between university and clinical sites), and the Clinical Preceptor Handbook.
- Students must present evidence of a negative drug screen at the time of admission to clinical course work. The drug screen will be requested again if the student withdraws and is then readmitted to the program or if behaviors of the student suggest probable cause for follow-up. If probable cause exists, a student will be asked to complete another drug test immediately, which must provide negative results to remain in the clinical experience.

**Typical Skills Used to Complete Essential Tasks**

- Students typically attend classes at least once and up to three times per semester during each academic semester, particularly when enrolled in FNP clinical courses. Classes consist of a combination of lecture, discussion, laboratory, and clinical activities.
- In the practice setting, students typically sit from one to two hours daily, stand from two to four hours daily, and walk two to four hours daily.
- Students frequently lift less than 10 pounds and occasionally lift weights between 10 and 100 pounds.
- Students occasionally carry up to 25 pounds while walking up to 50 feet.
- Students frequently exert 75 pounds of push/pull forces to objects up to 50 feet and occasionally exert 150 pounds of push/pull forces for this distance.
- Students frequently twist, bend, and stoop.
- Students occasionally squat, crawl, climb stools, reach above shoulder level, and kneel.
- Students frequently move from place to place and position to position and must do so at a speed that permits safe handling of patients.
- Students frequently stand and walk while providing support to an infirmed patient. Students occasionally climb stairs or negotiate uneven terrain.
- Students continuously use their hands repetitively with a simple grasp and frequently use a firm grasp and manual dexterity skills.
- Students frequently coordinate verbal and manual activities with gross motor activities. Students use auditory, tactile, and visual senses to receive instruction and to assess, intervene, and evaluate patients.

**Employment:**

Please review SON policy S-9 at: [https://www.unlv.edu/nursing/student-resources/policies](https://www.unlv.edu/nursing/student-resources/policies)

**Examinations During the Semester:**

It is expected that students take examinations on the date and at the time scheduled. It is the student's responsibility to notify the instructor prior to the exam time if she/he will not be able to take the exam as scheduled. Make-up exams will be at the discretion of the instructor. If a student misses an examination without prior approval by the instructor, a grade of "F" will be recorded for the examination.

It is the instructor's responsibility to make known the tentative dates of examinations, the weighing of examinations, and method of final grade calculation at the beginning of the semester.

**Final Examination:**

Final examinations will be held at the end of the semester at the time specified in the class schedule. The faculty must follow the class schedule during final exam week for the purpose of giving the final examination. Faculty should remind students to complete the course evaluation which is sent via the student’s rebel mail address. Some faculty may choose to give the final exam on campus.
Examinations Review:
Students who wish to review examinations should make appointments with the instructor to do so within two weeks of the examination date. After that period of time, the instructor will not make adjustments in the exam grade due to miscalculations (consult individual class outlines for specific information).

Evaluations:
Particularly when enrolled in FNP clinical courses, students are offered the opportunity of a formal mid-term evaluation. Students must have a formal final evaluation in clinical, and at that time the students are to be told their final grade. The faculty is responsible for filing the student’s final grade via the Web Grade Book prior to leaving campus for the semester.

Grading Policies: Grading Scale of the School of Nursing

<table>
<thead>
<tr>
<th>Grade</th>
<th>Range</th>
<th>Grade</th>
<th>Range</th>
<th>Grade</th>
<th>Range</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>93-100</td>
<td>B-</td>
<td>80-82</td>
<td>D+</td>
<td>68-69</td>
</tr>
<tr>
<td>A-</td>
<td>90-92</td>
<td>C+</td>
<td>78-79</td>
<td>D</td>
<td>63-67</td>
</tr>
<tr>
<td>B+</td>
<td>88-89</td>
<td>C</td>
<td>75-77</td>
<td>D-</td>
<td>60-62</td>
</tr>
<tr>
<td>B</td>
<td>83-87</td>
<td>C-</td>
<td>70-74</td>
<td>F</td>
<td>Below 59</td>
</tr>
</tbody>
</table>

IMPORTANT NOTE: A passing grade for students taking graduate degree courses (600 or 700 level) is 83% (B) or above.

Grade Recorded when a student does not pass the clinical portion of the course:
The clinical portion of the course is graded on a pass/fail basis. Because the clinical portion of the course is an integral portion of the course, if the student does not successfully complete the clinical portion of the course, a grade of “F” will be recorded for the course.

Grades (posting):
When posting grades via the Webcampus, students will have access to their grades in a confidential way. Grade reports are also distributed to the Associate Dean for Graduate Affairs in the SON and are available to advisors and counselors.

Health Insurance Validation:
It is a requirement of the SON and a requirement within contracts with clinical agencies that students who practice in those facilities have health insurance. Thus students are required to maintain current health insurance coverage. The student must present verification of health insurance to the Graduate Studies Administrative Assistant prior to registering for their first graduate courses. If students do not have proof of health insurance they will not be allowed to be in clinical rotations. The student is responsible to determine that their health insurance coverage includes provisions for emergency room visits in the event of a needle stick or other high-risk exposure in the clinical setting, as well as the costs of anti-HIV drugs if the physician determines the medications are warranted.

Injury in Clinical Area:
1. Clinical Instructor assesses the extent of the injury to determine if the student can remain in the clinical area.
2. If the clinical instructor determines that the student should seek medical care, the student is referred to his/her private physician.
3. Student and clinical instructor must complete an incident report if required by the clinical agency and a copy is filed in the student’s file.
4. Billing of charges will be to the student's insurance company; the clinical agency has no responsibility for treatment charges, this is the reason the student carries medical insurance.

**Lateness of Assignment:**
Written work is expected on the date and time indicated in the syllabus or course schedule/calendar. Whether an assignment will be accepted late and the determination of percentage (%) points to be deducted per day will be made at the sole discretion of the instructor. It is the student's responsibility to notify the instructor that an emergency has occurred.

**Letters of Reference:**
Please review SON policy S-10 at: [https://www.unlv.edu/nursing/student-resources/policies](https://www.unlv.edu/nursing/student-resources/policies)

**Two-Step Tuberculin Testing or QuantiFERON:**
Students must show proof of current two-step tuberculin testing results or QuantiFERON draw results to the Graduate Studies Administrative Assistant prior to registering for their first graduate courses. Testing must be within one year to be current.

Please review SON policy S-13 at: [https://www.unlv.edu/nursing/student-resources/policies](https://www.unlv.edu/nursing/student-resources/policies)

**Transportation:**
Students must provide their own transportation to the various agencies for clinical experience.

Please review SON policy S-7 at: [https://www.unlv.edu/nursing/student-resources/policies](https://www.unlv.edu/nursing/student-resources/policies)

**PROBATION and SEPARATION (DISMISSAL):**
Please review SON policy S-12 at [https://www.unlv.edu/nursing/student-resources/policies](https://www.unlv.edu/nursing/student-resources/policies)

**WITHDRAWAL:**
Please review SON policy S-12 at [https://www.unlv.edu/nursing/student-resources/policies](https://www.unlv.edu/nursing/student-resources/policies)

**SUSPENSION FROM THE SCHOOL OF NURSING:**
Please review SON policy S-12 at [https://www.unlv.edu/nursing/student-resources/policies](https://www.unlv.edu/nursing/student-resources/policies)

**APPEAL:**
A student who is denied the privilege of readmission to a course has the right to appeal. The appeal process will follow the outline specified in the UNLV grievance procedure. The first level of appeal will be the SON’s Doctoral Program Director; the second level is the SON’s Associate Dean for Graduate Affairs. If the outcome of the appeal is not to the student’s satisfaction, the student may file an appeal with the Graduate College.

**INCOMPLETE:**
An incomplete grade can be granted in content/lecture type courses, designed to be completed within one semester, and where the student has failed to complete all of the requirements. The instructor is responsible for determining if the reason for non-completion is satisfactory. An “I” grade is given only when a minor part of the course work remains incomplete and the major portion has been completed at a level which is clearly passing. Graduate students receiving an “I” grade in 600 or 700 level courses have up to one calendar year to complete all requirements and remove the “I” grade; **however**, the instructor, at his/her sole discretion, may require that the Incomplete be made up in less time. The SON students must complete the requirements prior to enrollment in any classes in which the incomplete course is a prerequisite course. If course requirements are not completed within the time frame indicated by the instructor or within one year, a grade of "F" will be recorded and the
Grade Point Average will be re-computed accordingly. Students who are making up an incomplete grade do not re-register for the course, but make individual arrangements with the instructor who assigned the "I."

The student and instructor must complete the form "Contract for Completion of Incomplete" and distribute a copy to the student, the instructor and the student's file. The form specifies requirements to be completed and date of required completion. Once the specified requirements are completed, it is the instructor's responsibility to fill out the Incomplete Removal Form and file the form with the Office of the Registrar. The Graduate College guidelines and policy on the grade of “Incomplete” can be found here.

STUDENT RIGHTS:
Please review the entire Student Conduct Code at:

DISCLOSURE OF STUDENT EDUCATION RECORDS AND DIRECTORY INFORMATION
The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student educational records of both current and former students. Each NSHE institution is required to comply fully with the law. The Act makes a distinction between a student’s education record and information classified as directory information. FERPA gives parents certain rights with respect to their children’s education records. These rights transfer solely to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are defined as eligible students in the Act.

UNLV Policies on FERPA, “Student Rights under FERPA”, and “Directory and Non-Directory Information” policies are available here

GRIEVANCES:

COURSE DESCRIPTIONS are listed on the Graduate Catalog (https://catalog.unlv.edu/index.php?catoid=30).
CHAPTER VII
PATHWAY TO COMPLETION
SAMPLE TIME LINE FROM ADMISSION TO GRADUATION

Credit Hours and Grade Point Average
For the “Nursing Education” Option, students who have completed NURS 709, NURS 710, NURS 724, and NURS 733 in either their master’s or post-master’s education at UNLV or have a master’s degree or post-master certificate in nursing education from another accredited institution are required to complete a minimum of 50 graduate credit hours. Students who have not completed NURS 709, 710, 724, and 733 or do not have a master’s degree or post-master’s certificate in nursing education, are required to complete a minimum of 62 graduate credits for the “Nursing Education” option. The DNP to PhD program requires a minimum of 45 credit hours. A grade point average of 3.0 must be maintained in all courses required for the PhD degree; no grade less than B is acceptable for curricular completion of the PhD in Nursing Program. Each student, upon admission, will be assigned an advisor. The advisor (and later the Graduate Advisory Committee including the chair of the Graduate Advisory Committee if in place) will plan the student’s entire degree program of study and submit it to the Graduate College. The degree program requires the approvals of the student, advisor, the Doctoral Director, the Associate Dean for Graduate Affairs, and the Graduate Dean.

Progression and Policies
The SON policies align with the UNLV Graduate College policies and procedures. Students are encouraged to review the Graduate College Catalogue carefully.

The Doctoral Director monitors the student’s progress through the program of study until a Graduate Advisory Committee Chair is appointed. In addition, the Doctoral Director will monitor adherence to all established policies of the Graduate College. At any given time, the student can request a change of chair or members of the Graduate Advisory Committee. However, it is the student’s responsibility to secure approval of an individual faculty member who agrees to serve as his or her advisor before changing the original advisor, subject to Graduate College approval. Also, it is the student’s responsibility to make sure that his or her chosen advisor or chair has current full graduate faculty status at UNLV. A list of full graduate faculty can be found here.

Consistent with current Graduate College policies, there is no mechanism in place at this time to “challenge” PhD degree courses either by exam or by portfolio of experiences.

Comprehensive Examination
Students must take a Comprehensive Examination to assess his/her readiness to begin the doctoral dissertation. The Comprehensive Examination has written and oral components and occurs during the final semester of required doctoral coursework preceding enrollment in Dissertation (NURS 797). The Comprehensive Examination may be repeated only once. The re-examination must occur between 3-6 months from the date of the initial examination. A student who does not pass the exam on the initial attempt will be placed on probation. If the student fails the second attempt of the written, oral, or both components, the student will be separated from the PhD program. Refer to the section on the Comprehensive Examination for information regarding the specific policy and procedures.

Dissertation Prospectus
Once the student passes the Written and Oral Comprehensive Exam, they will submit an abstract of their proposal to the entire Graduate Advisory Committee (SON members and Graduate College Rep) for approval. Once the abstract is approve, the student will advance to candidacy by filling in the ‘Advance to Candidacy’ form on the Grad Rebel Gateway and is eligible to enroll in dissertation credits (NURS 797).
Culminating Experience

Upon completion of the dissertation, the student must pass a final oral examination which involves the successful defense of his/her dissertation study. All Advisory Committee members must be present for this examination and may question the student following presentation of the study. The defense will be scheduled and conducted in accordance with the Graduate College’s policies for thesis and dissertation.

Graduation Requirements

1. **Residency Credits**: Each track has a differing credit requirement, and the current catalog should be consulted. No more than 6 credits may be transferred into the program. Transfer credit must be pre-approved by the Doctoral Director.

2. **Credit by Challenge Examination**: Graduate courses (with a 600 or 700 number or above) may not be challenged for credit.

3. **Six year Completion Rule**: All degree requirements must be completed within six (6) calendar years from the date of matriculation. No credit may be used in an advanced degree program for course work completed more than six (6) calendar years immediately preceding the term in which all degree requirements are completed.

4. **Graduation Requirements**: Students have a choice of the catalog under which they wish to graduate. They may choose between: 1) the year of official matriculation, or 2) the year of graduation. Students are encouraged to meet the requirements of the current catalog.

Process To Apply For Graduation

1. An application for graduation is obtained from MyUNLV on the “Student Center” page. The form must be filed during the first week of the semester in which the student plans to graduate (check the class schedule for exact date).

2. After the application form is completed, the student must pay a graduation fee online.

3. Degrees are awarded in May, August, and December. Commencement is held in May and December. All students are encouraged to participate in the commencement exercises. The SON’s Recognition Ceremony is held in May, August, and December.

**Official Transcripts**: Official transcripts of recorded work (credits) completed at UNLV bear the seal of the University and the signature of the Registrar. Upon written request from eligible students, the Office of the Registrar will issue official UNLV transcripts. Transcripts of work from other institutions will not be issued. Transcripts are not issued for any student having a delinquent indebtedness to the university. Work in progress does not appear on the transcript and is not entered until the semester or registration period officially ends. Transcripts are not prepared during the periods of official examinations, grade recording and registration.

**Program Exit Survey**: Following completion of all course requirements, the student will be asked to complete an exit survey related to program outcomes and overall satisfaction. The survey provides feedback to the program faculty and is utilized in curricular revision. The results of the survey are summarized for various accreditation bodies. Graduates are encouraged to provide correct email addresses so the SON can maintain contact for future events and alumni updates.
PATHWAY TO DISSERTATION

Below is a guide to help you understand the dissertation process; it is not a complete, comprehensive set of instructions. For complete information on the dissertation process, please refer to the following:

- SON policy C-15 Ph.D Comprehensive Examination and C-20 Ph.D Multiple Article Dissertation
- Videos in WebCampus

TIMELINE

Graduate Advisory Committee Chair – Students are assigned advisors / chairs upon admission to the PhD program. Please refer to the Graduate College website for information on the responsibilities of committee chairs. [https://catalog.unlv.edu/content.php?catoid=25&navoid=5287#advising_and_the_advisory_committee](https://catalog.unlv.edu/content.php?catoid=25&navoid=5287#advising_and_the_advisory_committee)

PDM1 (Preliminary Dissertation Meeting 1) – Students should complete no later than the trimester before PDM2 and two trimesters prior to the Comprehensive Exam. Can be completed in person or through video conference.

PDM2 (Preliminary Dissertation Meeting 2) – Students should complete no later than the trimester prior to the Comprehensive Exam. Can be completed in person or through video conference.

Additional PDMs as necessary

Comprehensive Exam – Students should complete during the final trimester of required doctoral coursework preceding enrollment in Dissertation (NURS 797). The Oral Comprehensive Exam must be completed in person.

Dissertation Proposal – Students should complete during the first trimester of Dissertation (NURS 797). Must complete a presentation of the proposal in person.

Dissertation Defense – Students will provide an oral presentation (defense) of their dissertation study once the written dissertation is complete and the committee determines that the student is ready to progress to defense. Must be completed in person.

PROCESS

PDM1 (Preliminary Dissertation Meeting 1)
The purpose of the PDM1 is for the student and committee members to discuss the broad dissertation topic the student is interested in pursuing for their dissertation. The student should complete the PDM1 by carrying out the following steps:

- Ask School of Nursing Faculty Members to be on their Graduate Advisory Committee. Although selection of the Graduate College Rep (committee member from outside SON) is not required at this stage, students are encouraged to seek out possible faculty who may serve in this role.
- Prepare a 1 to 2-page document that identifies a phenomenon of interest and related research ideas. The document should broadly identify the research problem, purpose, sample, design, significance and feasibility of the study.
- Schedule the PDM1 meeting with the committee members. The meeting may be done in person or by video conference call. (Participation is optional for the Graduate College rep.)
- Once the meeting is scheduled, contact designated doctoral Administrative Assistant with the meeting details (date, time, location, and committee members).
- The student and committee members will meet to discuss the broad dissertation topic the student has identified. The committee will help the student focus his/her research topic.
- The committee chair will take notes on the meeting and provide them to the student, committee members, and doctoral Administrative Assistant.
PDM2 (Preliminary Dissertation Meeting 2)
The purpose of the PDM2 is for the student to refine his/her dissertation plan and prepare for the Written Comprehensive Exam. The trimester prior to the Comprehensive Exams, he/she should schedule and complete the PDM2 by carrying out the following steps:

- Confirm School of Nursing faculty members and Graduate College Rep (outside faculty member) on the committee. Prepare a dissertation plan that integrates the feedback received from the PDM1. The plan should be no more than five pages (Times New Roman, 12 point font, double spaced) and can be a short narrative, a schematic, a table, or an outline that identifies the research problem, purpose, framework, sample design and methods of research.
- Schedule the PDM2 meeting with the committee members. The meeting may be done in person or by video conference call. (The outside member is required to attend).
- Once the meeting is scheduled, contact designated doctoral Administrative Assistant with the meeting details (date, time, location, and committee members).
  - The Administrative Assistant will distribute the necessary forms to the student’s Chair, committee members, and the Doctoral Director.
- No later than one week prior to the PDM2 meeting, the student must send the committee members his/her document.
- The committee chair will take notes on the meeting and provide them to the student, committee members, and designated doctoral Administrative Assistant.
  - At the end of the PDM2, the student should be clear on the expectation for the Comprehensive Exam. The chair and committee members will make a determination regarding the student’s progression and if necessary may request an additional PDM. NOTE: The PDM2 is not a test, but an opportunity to allow committee members to ask questions about the topic and to give suggestions on the purpose, theory, sample design, and methods. The student should be prepared to speak to the points in the plan if the committee asks for more information. Remember this is an opportunity for the committee to guide the student in a direction to be successful in the Comprehensive Exam and help to identify any major flaws in the plan.

Additional PDMs
Additional PDMs might be necessary at the discretion of the chair and committee. Process and requirements will be discussed individually with students by the committee.

Comprehensive Exam
During the trimester the student is enrolled in his/her final coursework (preceding enrollment in NURS 797 Dissertation), he/she should schedule and complete the Comprehensive Exam by carrying out the following steps:

- By the end of the second week of the trimester, the student is responsible for scheduling a meeting with the Chairperson of his/her committee to determine the dates for completing his/her written and oral comps. The three dates to discuss are:
  1. The beginning of the three week independent work period - During the independent work period, the student must refrain from discussing the written component of the Comprehensive Examination with all Comprehensive Examination Committee members and all other SON faculty and past or present students as well as seeking any consultation assistance outside of the SON. The independent work period must start no later than week 7 of the trimester. (Please see SON Policy C-15 regarding the guidelines to follow during the independent study work period.)
2. Submission of the Written Comprehensive Exam - The written component of the Comprehensive Exam must be submitted to the committee no later than week 10 of the trimester (three weeks before the oral component of the Comprehensive Exam).

3. The date of the Oral Comprehensive exam - The oral component of the Comprehensive Exam must be held no later than week 13 of the trimester.

Upon identifying tentative dates, the student must contact the two other School of Nursing committee members to confirm their acceptance of these dates. The Graduate College Rep (outside committee member) does not have a role in Comps.

- Once the date has been set, it is the student’s responsibility to contact the designated doctoral Administrative Assistant to reserve a room for the oral Comps.
- Once the dates are set, follow the guidelines in SON policy C-15 to ensure correct completion of all steps.

A. Independent Work Period
   - See SON Policy C-15 regarding the guidelines to follow during the independent study work period.

B. Written Comprehensive Exam
   - See SON Policy C-15, Attachment #1 “PhD in Nursing Guidelines for the Comprehensive Examination.”
   - Send written Comprehensive Exam via email to committee no later than three weeks before date of Oral Comprehensive Exam.

C. Oral Comprehensive Exam
   - Student must travel to the UNLV campus to complete.
   - Prepare informal presentation – See SON Policy C-15, Attachment #1 “PhD in Nursing Guidelines for the Comprehensive Examination.”
   - A question and answer period will follow the informal presentation. Once the discussion is completed, the student leaves the room while the committee determines the outcome of the exam and completes the Rubric for Evaluation of Written and Oral Comprehensive Examination (SON Policy C-15, Attachment #2).
   - Receive pass/fail grade from committee:
     - A student receiving a passing grade for both the written and oral components of the Comprehensive Examination may enroll in Dissertation (NURS 797).
     - A student who does not pass the initial written, oral, or both components must repeat the failed component(s) before enrollment in Dissertation (NURS 797).

The student is responsible for scheduling a re-examination of the failed component(s).

Once the student passes the Written and Oral Comprehensive Exam, they will submit an abstract of their proposal to the entire Graduate Advisory Committee (SON members and Graduate College Rep) for approval. Once the abstract is approve, the student will advance to candidacy by filling in the ‘Advance to Candidacy’ form on the Grad Rebel Gateway and is eligible to enroll in dissertation credits (NURS 797).

Dissertation Proposal

- The first trimester the student is enrolled in NURS 797, he/she will begin developing his/her dissertation proposal. The student must travel to the UNLV campus to complete the Dissertation Proposal presentation.
  - Students should strive to complete their dissertation proposal by the end of the first trimester the student is enrolled in NURS 797. The Graduate Advisory Committee chair will establish if the
student is making progress toward meeting the established timeline and submitting components of the dissertation in a timely manner. The student will have to schedule a meeting with his/her committee to present his/her dissertation proposal. The meeting date should be determined and scheduled no later than the seventh week of the trimester. Once the date is confirmed, it is the student’s responsibility to contact the designated doctoral Administrative Assistant to reserve a room for the dissertation proposal meeting.

- The dissertation proposal must be submitted to the chair and committee two weeks prior to the meeting date. It is recommended the student bring an electronic copy to make any edits and submit to the designated doctoral Administrative Assistant after the presentation.
- Presentation must be no longer than 20 minutes.
  - Expect the proposal discussion process to last 1 to 1½ hours.
- After the proposal has been approved, the student can begin the IRB process.
  - Students have two options for their dissertation – the Traditional Dissertation (typically 5 or 6 chapters) and the Multiple Article Dissertation (three manuscripts). If the latter option is chosen, the chair and committee will decide on how the PDMs and Comprehensive Exam will be formatted keeping in mind existing policies. Students should discuss both options with their chair and committee, however both options include the Dissertation Proposal development and presentation. (See SON policy C-20 Multiple Article Dissertation)

**Dissertation Defense**

Once the dissertation proposal is approved the committee will work closely with the student to provide guidance on completing the dissertation study. Over the course of this process, the student will write the dissertation chapters or manuscripts and follow a review process determined and agreed upon by their chair and committee. Once the chair and committee are satisfied with the written chapters and have determined the student is ready to defend his/her dissertation, the student will complete the following steps. The student must travel to the UNLV campus to complete the Dissertation Defense. Please also refer to the Graduate College website for complete Thesis and Dissertation information.

**Prior to Coming to UNLV:**

- Apply for graduation.
- Confirm a defense date with the committee.
- Email designated doctoral Administrative Assistant to reserve a room for the dissertation.
- Doctoral Administrative Assistant will complete the forms needed and email them to the student to be verified.
- 3 weeks prior to the Defense date the student must provide a copy of his/her dissertation to the committee.
- All theses and dissertations must be submitted to iThenticate for a similarity check prior to submission of the final document to the Graduate College.
- A copy of the similarity report must be submitted to the chair three days before the defense and to the advisory committee at the time of the final defense, and it will be taken into account when determining the outcome of the defense.
  - Instructions can be found [here](#).
- The dissertation defense will be open to the public; the defense date, time, and dissertation title will be emailed out to our student and faculty populations. Students may have family and or friends attend their defense.
- The student must bring the dissertation on a jump/flash drive so he/she can make needed changes. Students are encouraged to send their dissertation to their email as an added safety measure.
• The student should plan on being in Las Vegas for 1-2 days for the final Dissertation Defense process.
• The day before coming to UNLV the student should log into the Grad Rebel Gateway and submit the ‘Culminating Experience Form’. The chair will not approve the form to start the routing process until after the defense is successfully defended but it does expedite the process.

While at UNLV:
• The student should arrive for his/her defense early in order to get paperwork from the doctoral Administrative Assistant and set up his/her presentation.
• Oral Defense must be no longer than 40 minutes.
• After the defense, the student will need to make any required changes to the dissertation.
• If the student makes any changes (other than simple grammatical changes), he/she must re-submit the dissertation to iThenticate and the chair must sign off on the iThenticate report.

Dissertation Submission Process
For official policy please see the Graduate College website.
CHAPTER VIII
ORGANIZATIONS

Student Nurses’ Association:
All students enrolled in the nursing program are eligible for membership in the Student Nurses Organization.

Membership On The PhD Program Faculty And Curriculum Committee And Departmental Standing Committees:
Graduate students may hold voting membership on all standing committees within the Graduate Nursing Program according to SON’s Bylaws. Student representatives are selected by the graduate nursing student body.

Sigma Theta Tau International:
The Zeta Kappa Chapter of Sigma Theta Tau International was chartered at UNLVs in 1981. The purposes of Sigma Theta Tau are to recognize the achievement of scholarship of superior quality, to recognize the development of leadership qualities, to foster high professional standards, to encourage creative work and to strengthen commitment on the part of individuals to the ideals and purposes of the profession of nursing. Each year invitation to membership is extended to selected students in the undergraduate and graduate programs who demonstrate the qualities identified by the purposes of Sigma Theta Tau. Faculty members and community nursing leaders who possess the minimum of a Baccalaureate in Nursing are also invited to membership. Meetings of educational nature are planned four times per year.

Graduate And Professional Student Association (GPSA)
All registered graduate students of the University are members of the GPSA, Graduate & Professional Student Association of UNLV. The purpose of this organization, established in 1980, is to promote academic and social interests of graduate students. The governing body of GPSA, the Executive Committee, is comprised of elected officers and representatives selected by the graduate students in each department. A graduate student in the SON will be selected to represent the program on the Executive Committee. A GPSA representative holds voting membership on the Graduate Council and on each standing committee of the Graduate College. Learn more by visiting: http://www.unlv.edu/gpsa.
