Lori Temple	OIT

Provide a written overview of the year-long process for your working group.

OIT is responsible for further implementation. From July 2016 through June 2017, here are the plans and status: Fall 2016, secured final approval of the plan; began plan implementation in December 2016; will be forming technology review board in April 2017; will form Cyber Security Group in April 2017; and will disseminate plan to the campus between April 2017-June 2017.

2016-17 Accomplishments

By July 2017, the following activities should be completed: new governance committees will be meeting on a regular basis, there will be increased campus awareness of IT Master Plan, and the IT Master Plan website will available, reflecting progress on plan implementation.

Recommendations

OIT should continue its work implementing the Master Plan. No further work needs to be done on our end, except for monitoring progress.
