#### 2017-18 Accomplishments.

In collaboration with UNLV departments and with CSN academic advising staff, Le Quanda Cole created draft transfer articulation agreements for all UNLV Bachelor's degrees with the most appropriate CSN AA or AS degree. Student Achievement Specialists performed outreach campaigns with freshmen who entered UNLV with three or more risk factors for attrition. These campaigns included referrals to academic support services, reminders to register for Spring 2018, and encouragement to maintain full-time registration for students who registered part-time. The Office of the Vice Provost for Undergraduate Education used the Campus Connect platform to launch an Early Alert process for faculty teaching undergraduate courses.
