CMP #2	Define and establish a Community Engagement Center.	Sub-Committee: Chaired by Monica Lounsbury. Members: Zach Miles, Peg Rees, Jill Zimbelman, Luis Valera, and Helga Watkins.	2015-2016: Define Community Engagement prior to determining what the center should entail. Follow-Up Action: Begin plans to establish a center.	CMP K1 CMP A1	The Community Partnerships Pathway Goal Committee will propose general guidelines of the Office of Community Partnerships and final approval through the President's Office. Once established, the office will work to align research and institutional strengths, regional needs, and funding priorities. Space for this office will be determined by Space Management for initial set-up, but an expanding office will be considered with the master plan.
RSC #1-1	Identify opportunities for university-level Centers & Institutes that promote interdisciplinary research and align with institutional strengths, regional needs, and funding priorities	Bo Bernhard, Tim Porter & Alfredo Fernandez Gonzalez	2015-2016: Establish Centers, Institutes & Incubator infrastructure, policy recommendations, metrics/benchmarks, and timeline for assessment. Start in 2015-16: Identify strategic areas of investment (see below). 2016-2017: Implement UNLV incubators & strategic Center/Institute development. Notes: Will need to coordinate w/ Policy Committee, Community Engagment Committee, CORE Fellows, Research Council. Working group will work on two models: 1) "superstar faculty" model for C&I; and 2) "UNLV incubator" model for funding interdisciplinary research groups, setting metrics/benchmarks and timeline for success, and possible route to creating a Center or Institute.
