

Master of Science in Accounting Program Handbook

Welcome

The Master of Science in Accounting is designed to provide professional preparation at the graduate level for students wishing to pursue careers and advancement in taxation, public accounting, managerial or corporate accounting, and government. Our graduate courses help students extend and integrate their accounting knowledge by building on the knowledge received in undergraduate programs. The MS in Accounting also provides the necessary course work for sitting for the CPA exam in Nevada and other 150-hour jurisdictions.

Students may pursue either a full-time or part-time course of study to complete the 30-credit program. Students need not have an undergraduate degree in accounting or business. However, those without the undergraduate coursework on which the program builds will be required to complete those courses in addition to the 30-credit program.

Pursuing a career in accounting can provide a lifetime of professional opportunities. Earning your MS in Accounting is an investment in yourself and your future.

The A.A.C.S.B. - International Association for Management Education accredits the Master of Science in Accounting.

Professional Code of Ethics/Discipline Guidelines

UNLV Graduate College policy regarding academic integrity can be found in the graduate catalog.

The Department of Accounting requires students in all classes to sign an academic integrity policy. You will sign this for each and every accounting class.

Annual Review Procedures

Each winter break and early spring term, graduate students are **required** to complete the Graduate Student Individual Development Plan (IDP) form. The review covers the prior calendar year and assesses student progress, and it establishes reasonable goals for the year ahead. Reported student data is shared with students' graduate coordinators and advisors to foster opportunities for discussion about students' strengths and weaknesses, accomplishments and next requirements, and mentoring plans so that students know what they need to do in order to progress successfully through their programs in a timely manner. Students who are graduating are also required to complete the form in order to record their achievements since the data is also used to track metrics related to the annual productivity of all students. This survey will be sent by the Graduate College to the student's Rebelmail account. The review covers the prior calendar year and assesses student progress while setting goals for the year ahead.

Probation

If a student fails to successfully progress in their degree program, their department/school will recommend that the student be placed on probation by the Graduate College. Students on probation may be dismissed/separated from their program for failing to successfully meet the conditions of their probation by the deadline provided. Please see the **Probation and Separation** section of the Graduate Catalog for more information.

The Department of Accounting requires an **Exit Survey** to be completed during the last semester of the program.

On Campus recruiting: Students in accounting have the opportunity to participate in on-campus recruiting. The recruiting season kicks-off in the Fall with *Employer's Night* (hosted by Beta Alpha Psi). Public Accounting firms that recruit on campus generally hire students in the fall with an expected start date of the following fall. These firms often search for interns for the following summer at the same time. The schedule for on-campus interviews and other deadlines will be sent to your Rebelmail account at the start of the fall semester. Other employers who do not participate in the Fall recruiting schedule will often send out information about opportunities via our department email list. You will automatically be added to the email list unless you have opted out of receiving emails from the university.

The Lee Business School Career and Professional Development Office can assist you with resume writing, interviewing tips, etc. Information about the *LBS Career and Professional Development Office* can be found at: <http://www.unlv.edu/business/career-services>
